Scenery... the Sand and the Surf

Aren't we lucky
to live in California?
Think of the variety of
terrain and scenery.
Only thirty minutes away
is the appeal
that California is noted for...
its coast.
We spend our summers there,
some of us, our life.
Years from now
we'll remember the parties,
riding the waves,
or just soaking up the rays
until the blazing sun
falls into the ocean...
we treasure those moments
spent with our friends.
Two hours away
lies another colorful kind
of scenery... the desert.
We identify with it around Easter
as we head for Borrego
or Occatilla.
The desert provides us
with terrain for buggy-riding
or just camping out
to wake up to a
magnificent sunrise.
Yes
we are fortunate
to live close to two
commandingly beautiful
and different

They helped acquaint the Frosh to their new surroundings. Freshman presidential nominees were also introduced.

Pep rallies were held every Friday during football season. The cheerleaders and other clubs performed a variety of amusing skits and routines.

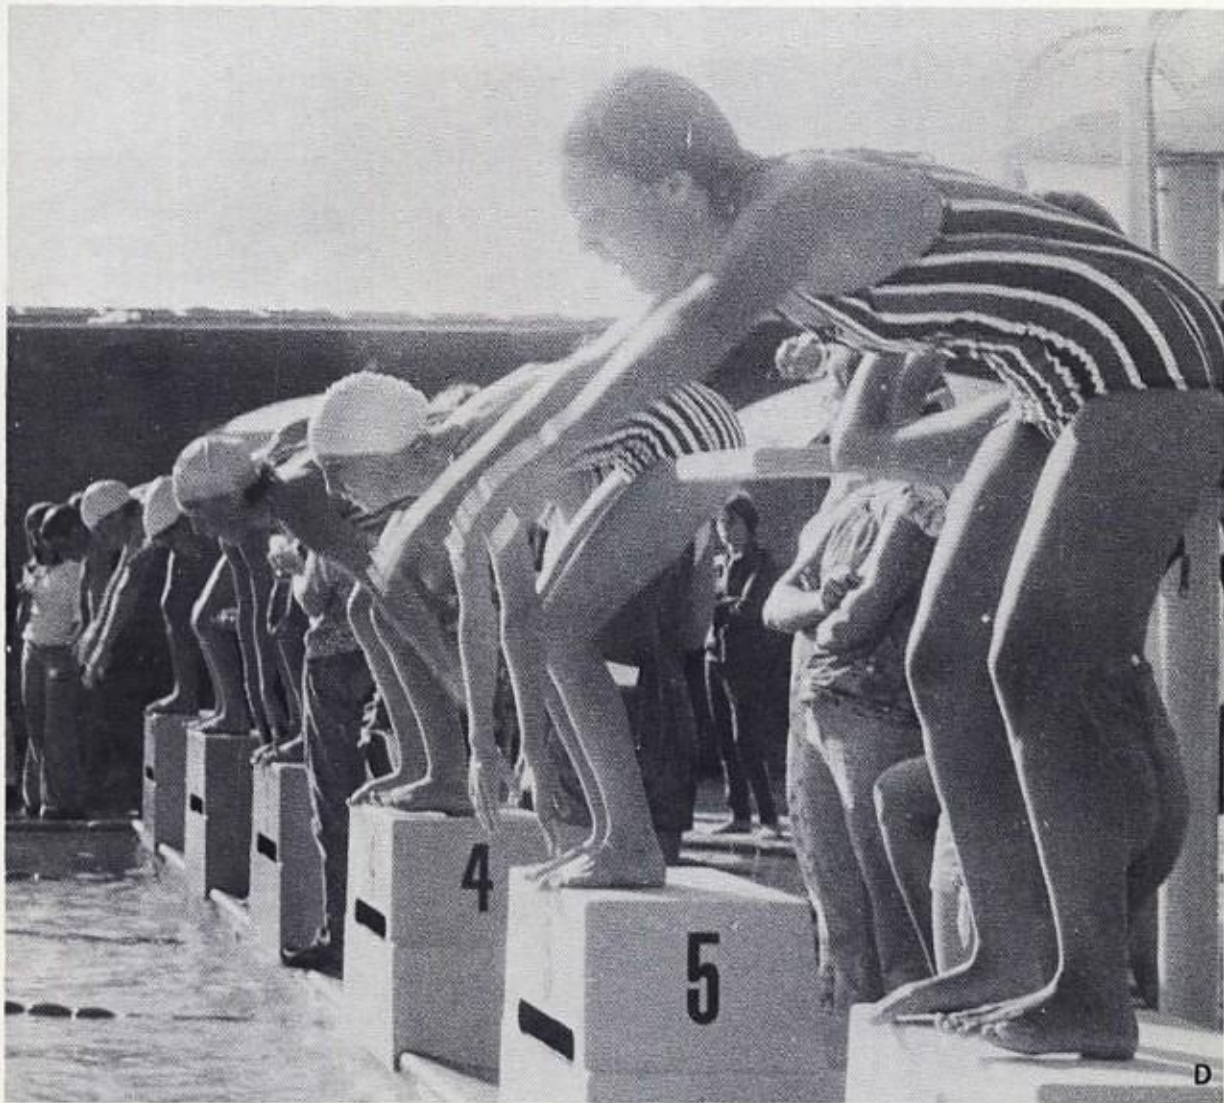

GAA Fall Sports Accomplish Tasks

Orange Glen's fall GAA Sports had varying seasons in 1973. The GAA Swim Team placed ninth at League Finals, compiling a 1-6 record. The GAA Volleyball Team took second place in the A division, with a 4-1 record, and the GAA Tennis Team took fifth in the Avo league with a 2-7 record.

Of 35 GAA swimmers, 20 of them went to league finals. At league finals, Sandy Grandon won the 100-yard individual medley, and Beth Winkle took ninth in the 50-yard butterfly, beating 13 other girls in this event.

Cross Country

C.C. Ends Dismal Season; Compete in Avo Finals

Orange Glen's 1974 Cross Country season was disappointing for the harriers, as they tried to rebuild. It was Paul Turner's first year as cross-country coach. Out of a twelve-man squad, Randy Fain was the only Senior. More than half of the varsity were Sophomores, the rest were Juniors.

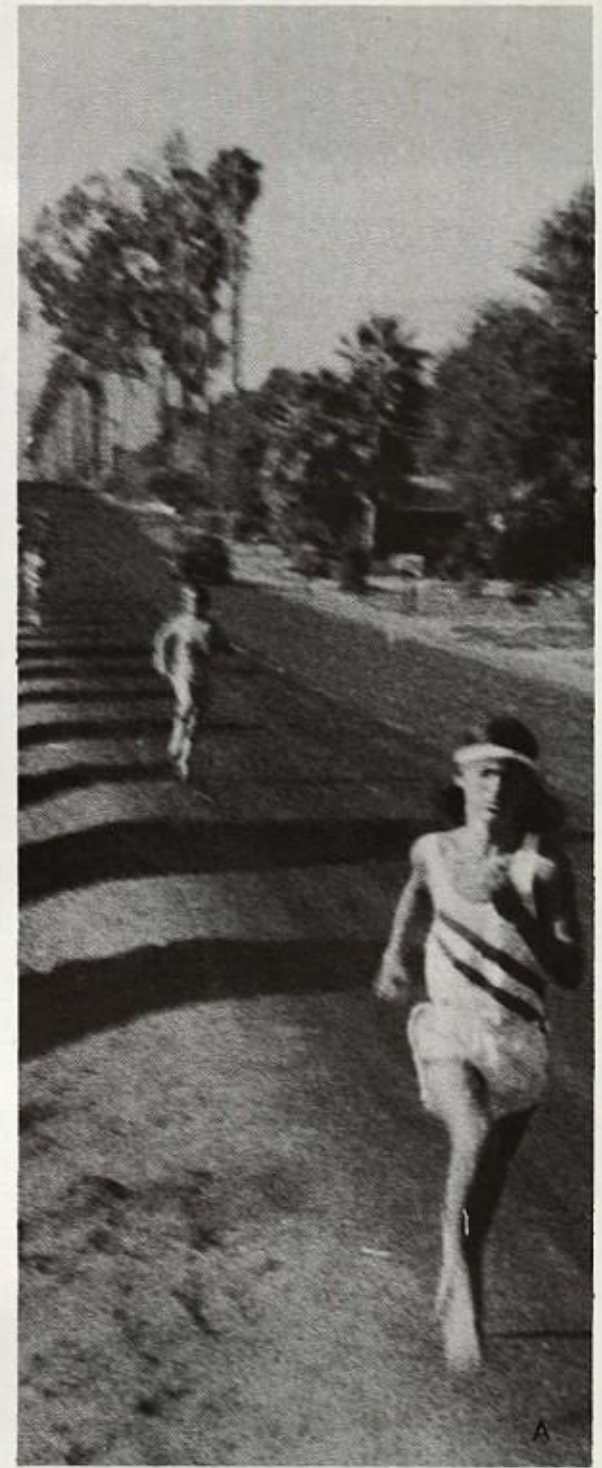

Randy Fain was the most consistent runner. He was first in

three meets, second in one and third in three.

In the Junior Varsity, Bobby Gates was the standout, a definite future hopeful for the varsity squad.

Although the Patriots suffered a 0-7 season, they put it together at the Avo League Finals, where they beat Vista and Carlsbad.

J.V. Football

J.V. Rebuilds After Suffering

The Patriot J.V. football squad, under new head coaches Mr. David Parker and Mr. Jerry Fenton, had a disappointing but spirited season. The Pats were hampered by being able to play just one good half of football each game.

The offense was lead by the hard running of Dave LaPlante and the passing arm of Bob Greenle. With Greenle passing to his leading receiver, Jim Morasco, and LaPlante running, the Pats were able to mount fine drives, but failed at putting points on the board.

The Patriot defense was very spirited and held their opponents well, especially in the San Pasqual and Escondido games. The defense was led by linebackers Scott Colbertson and Birt Straw. Colbertson led all tacklers and had exceptionally fine games against Carlsbad and Escondido. Straw was a very sure tackler and seemed to be wherever the ball was.

All in all, it was a year of rebuilding for the J.V. Next year there are much bigger hopes for those who were on this year's squad.

Varsity Football

Varsity Finishes 3-9 Season

O.G.'s varsity football ended the season winning three out of nine games, two of them league games. Although the Patriots lacked the size and talent that was needed to be a top contender, determination and pride were factors that held the Patriots together.

The first non-league game was against Hilltop. The Pats were edged, the score being 12-6. Next, the Pats met the Montgomery Aztecs on their home field. They trounced them 21-7. However, the Patriots fell to Vista in the league opener 21-0.

The following week, they confronted the rugged Oceanside Pirates. Although the Pats outplayed and dominated the Pirates in every category, they lost 6-7, over a controversial play. It involved a quarterback-sneak by John Veach. Although the films showed Veach clearly in the end-zone, the referees, out of position, failed to see the play.

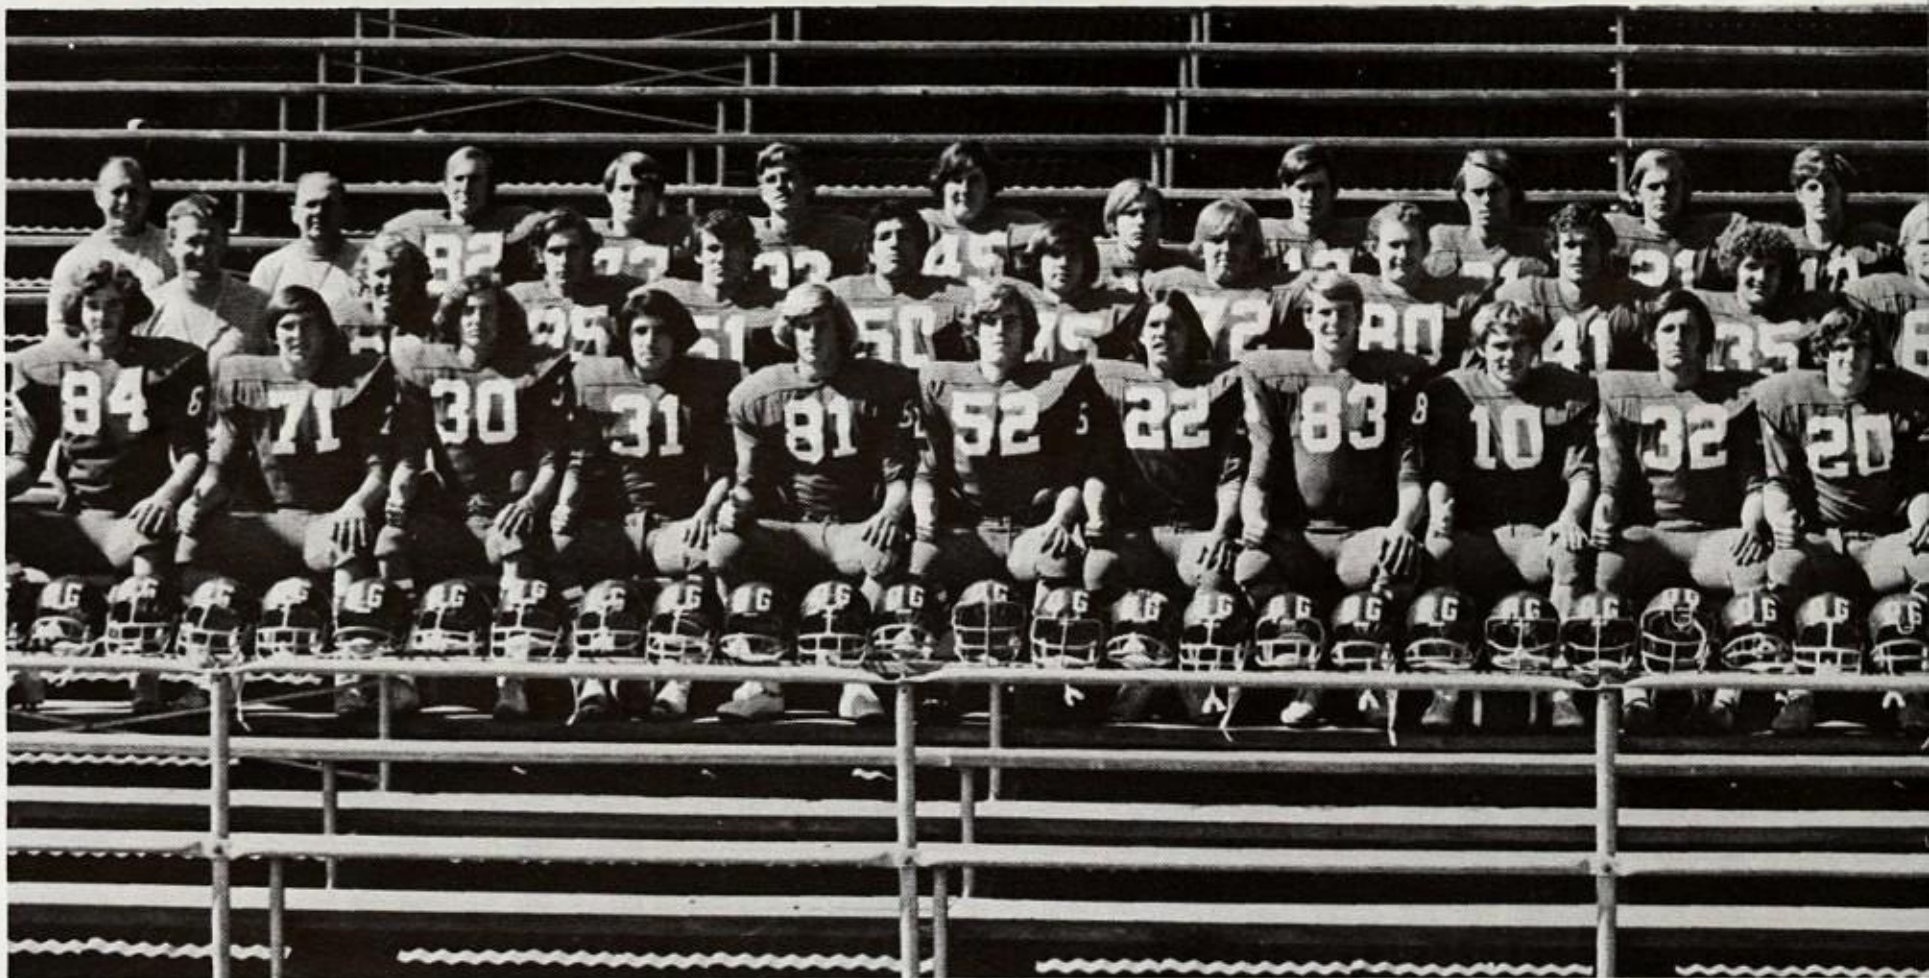

The Pats downed the Eagles 29-13, but lost to Carlsbad 21-14 on Dad's Night. They came back, wounding the Warriors 42-20.

In Super-Bowl VII, they lost to Escondido 24-0. The Pats also failed to score in the Homecoming game against San Marcos. The score on the final game being 29-0.

Pats Display Skill

The relationship of the Patriots to fellow team members and students was closer this year, than in previous years. They showed more spirit and unity - elements that are rarely seen in high school football teams.

The Pat offense was led by Q.B. John Veach and running-backs Steve Goodbody and Phil Smith. Hard-hitting linemen Jeff Jones and Craig Hope aided them.

Bob Hope, Jim Bourguignon, Ignacic Leon and Phil Anderson helped compose a hard-sticking defense, which was respected by opponents.

Hunter, LeBlanc Crowned in Ceremonies

As in past years, alumni cheerleaders were invited to cheer. Some alumni went back as far as three years. More than thirty cheerleaders were good news on homecoming night.

Elected for Homecoming King and Queen by the student body were, Don LeBlanc and Julie Hunter. John Veach and Adriana Ortiz were senior Prince and princess. Serving as Junior prince and princess were Craig Hope and Chris Anthony. Matt Haaland and Suzan Villabos represented the sophomore class and Rick Disney and Donna Boyce were from the freshman class.

Pats Blanked by Knights, 24-0

On Nov. 16, 1973, the Patriots faced the San Marcos Knights in the annual homecoming game. The Knights won 24-0, but the Pats played much better than the score indicated.

Bob Hope showed the skills that earned him a spot on the 2nd CIF team as a defensive lineman. Steve Goodbody, the Pats' ace rusher, also showed his yard gaining ability.

Spirit Is Contagious

Spirit spread throughout the school this year. Everyone seemed to have a "want" to get involved. Some of the things students did during Spirit week were: dress up on Old Fashion Day, a slave sale where the Football team was auctioned off, a powder puff football game between GAA and Cabinet and Cheerleaders. A few of the guys were on hand to do some cheers. There was also an assembly on the history of "Rock Music."

On Friday the last day of Spirit Week there was a Pep rally. Compared to other years at Orange Glen - this was the year for spirit.

A. Mrs. Byrne participated on Halloween dress-up day. B. Mark Reina and Chris Anthony do their thing during dress-up day. C. Ron Hurtado, John Pace, Mark Reina, were spirited cheerleaders. D. Glen Hathaway, Ken Kranz, Craig Kelly, and Don Van Cleave act like typical rowdies. E. Students rock out on Old Fashion Day. F. Mary Rogers tries to gain yardage against the G.A.A. in the Powder Puff football game.

Pats and Cougars Battle for SuperBowl

Super Bowl 7, between Orange Glen and Escondido High School, was held on November 9 at Memorial Field in the usual cold-weather setting. O.G. entered the annual affair favored to win.

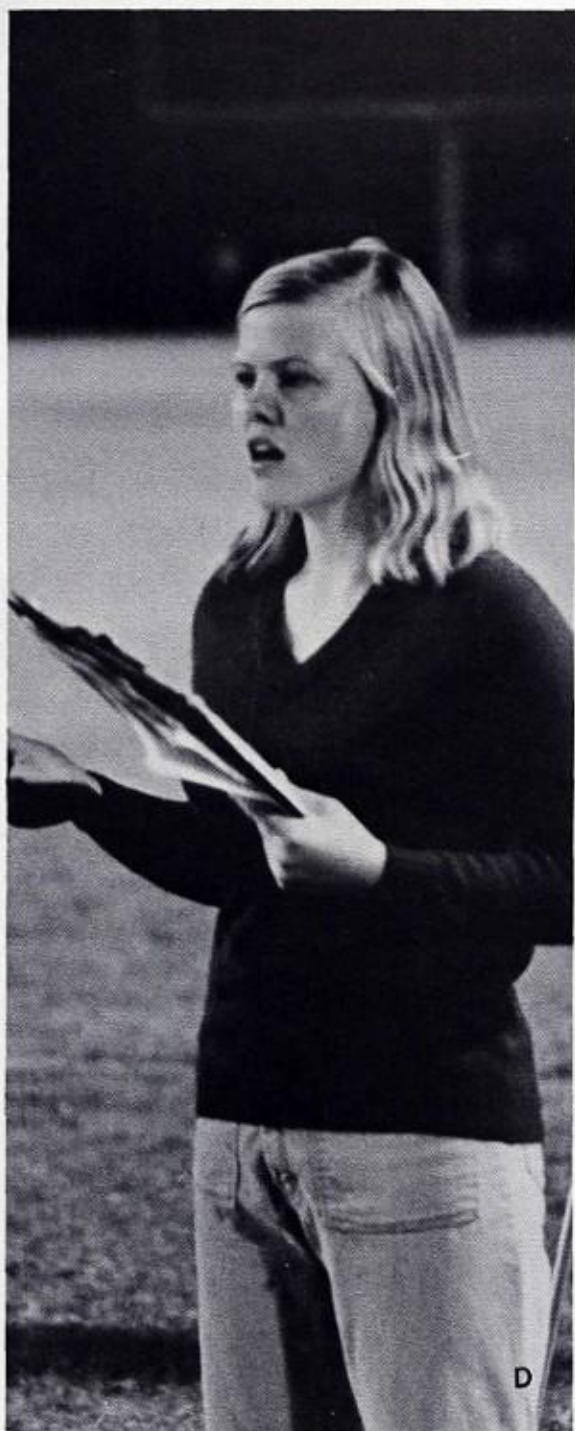

The Cougars played their best game of the season as the visiting Pats did not play up to their proven capabilities. Escondido had only beaten San Pasqual prior to the O.G. match-up, while the Pats had nearly pulled upsets over tough Oceanside and Carlsbad.

O.G.'s usually strong offense was stopped as the Cougars won 24-0. The Cougars used the run almost the entire game as they completed but one pass. Escondido opened holes in the Pat defense to spring their backs for long gains. Meanwhile the OG offense gained 0 yards on the ground and 54 in the air.

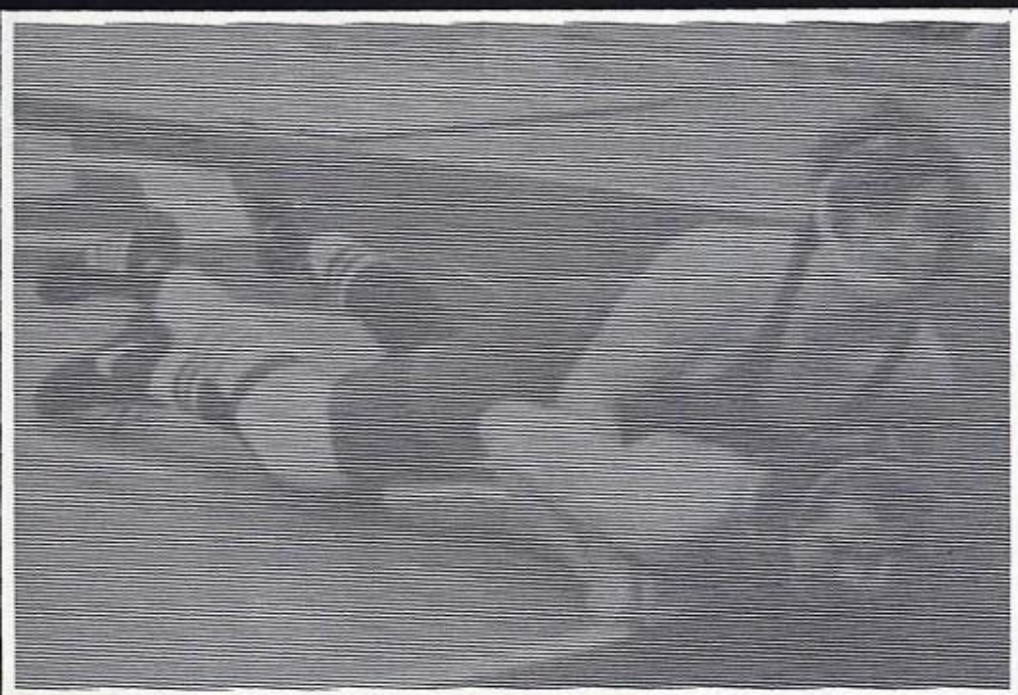

A. Quarterback Mark Moyneur takes time out as Pats advance. B. Halfback Steve Goodbody (20) tries running for a touchdown behind guard Doug Miller (63). C. Excited crowd looks on as Patriots and Cougars battle. D. Janet Huff looks on as frustrated Patriots try again. E. Defense Jim Bourguignon (22), Bob Hope (32), and Milt Walker (18), try to tackle a Cougar.

Exchange Students, ROTC New to Orange Glen

ROTC cadets were a novelty sight to most students at OG this year. The ROTC program is a military program which begins the training of officers. The cadets underwent two days a week of marching and drilling and three days a week of classroom instruction. The highlights of the year were the field trips to the Naval and Marine bases where the cadets had a chance to see a bit of real military life.

Many cadets are also looking forward to the naval sea cruise they will be taking this summer.

Corina Ribeiro, Patricia Lobo, Loadir Giuberti and Carlos Souza were also new faces at OG this year. These students were our exchange students from Brazil. They came in January and will leave in June. During that time the four did many things with their new "family" and friends and learned a great deal of American culture.

OG—GAA Basketball Looks Ahead

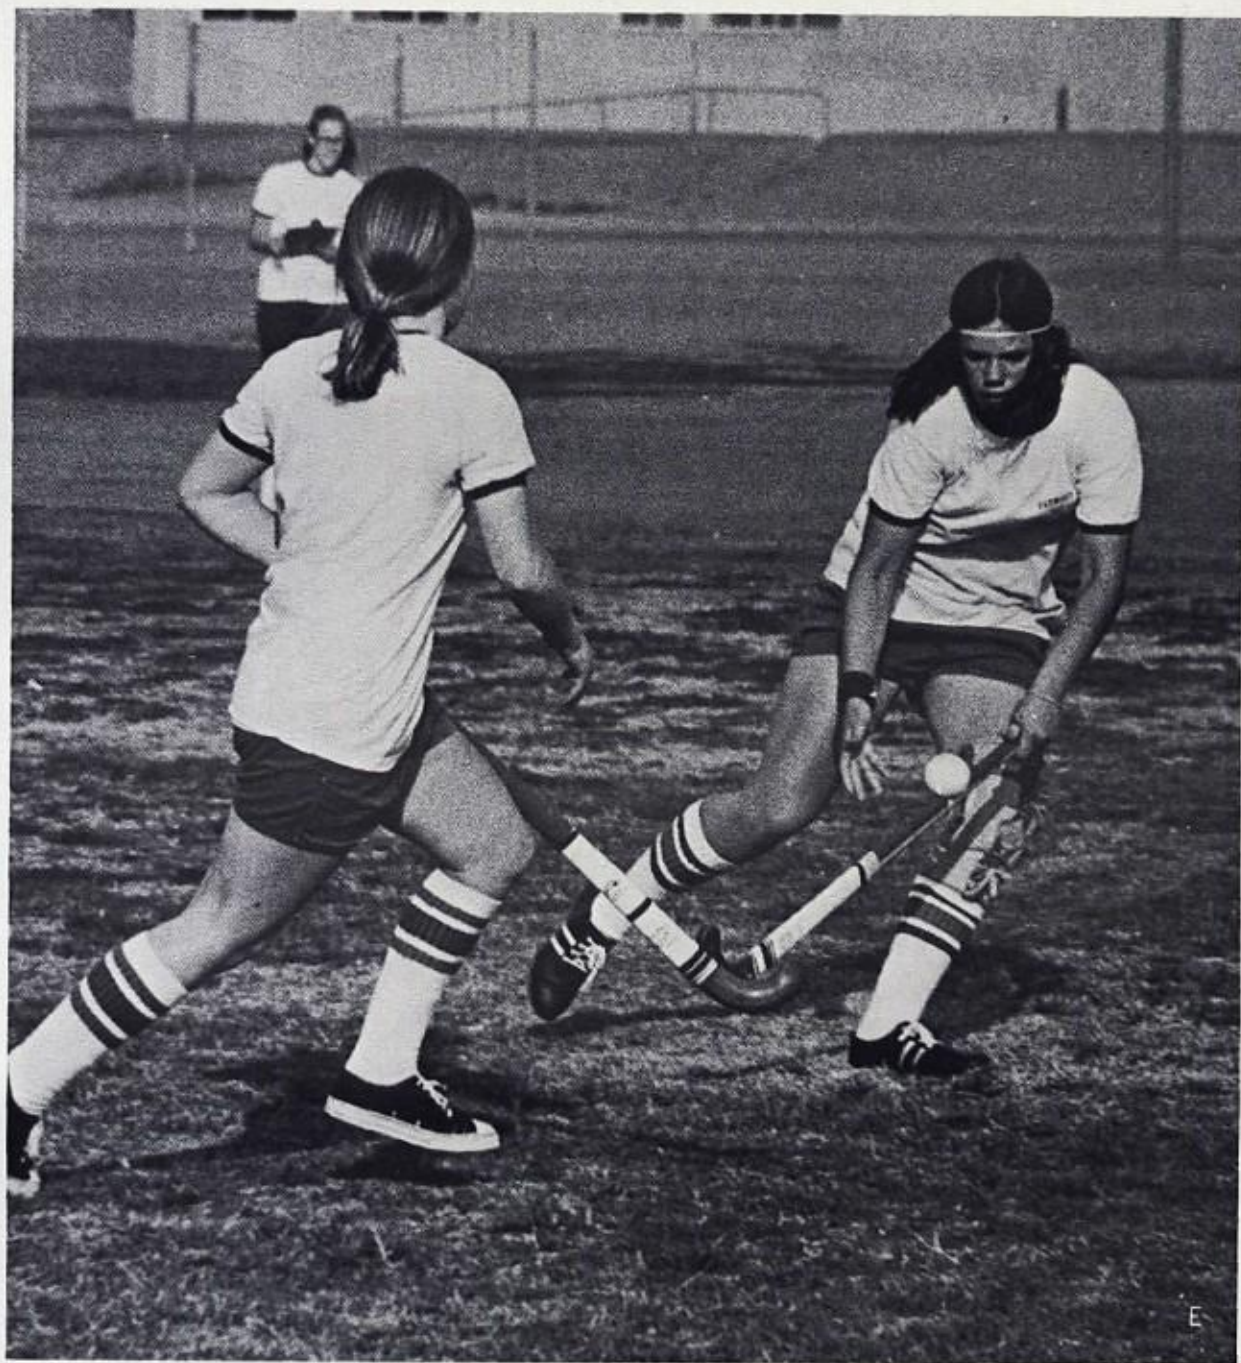

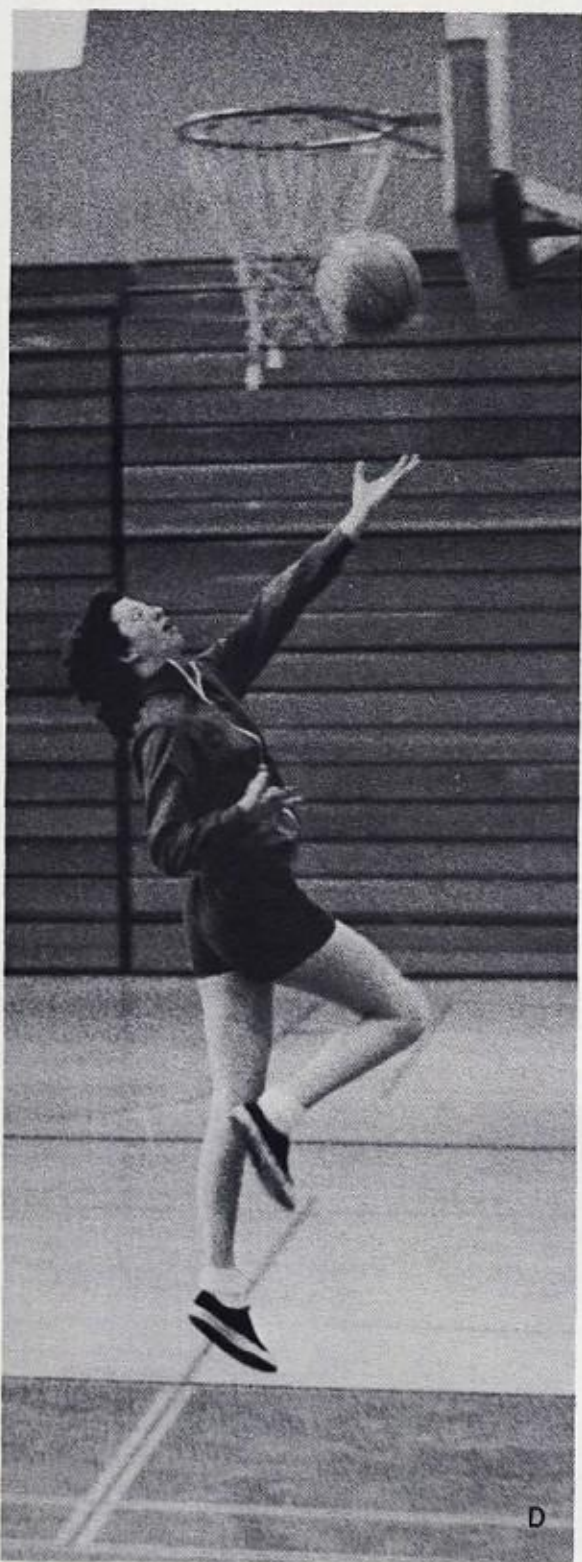

Starting out the year with a good start was the Orange Glen G.A.A. Basketball team coached by Ms. Shields and Ms. Allor. Some of the activities for this year included: a car wash, selling see suck-

ers and competing in the North County finals. The funds which were raised were used to pay for awards and officials. The money was also used to add to the O.G.-G.A.A. budget.

OG GAA Field Hockey Second in League

This year's Orange Glen Hockey team was no exception as they continued to be one of the leading teams in the North County area since competition first began eight years ago. The O.G. Hockey team finished second in the league for varsity and third in the league for junior varsity. This year's win and loss record for varsity was a win of four with a loss of two followed by a win of one and a loss of two with one tie for the JV team.

Orange Glen also hosted a Hockey clinic held here this year for all of North County, which was attended by one-hundred players. The clinic consisted of skills, drills, team strategy and coached games.

To raise funds this year the team sold "see suckers." They also participated in giving out individual awards to: Kayne Hudson-Girl of the Sport; Annette Herold-most improved varsity player; LeAnn Peterson-most improved junior varsity player; Karen Green-most inspirational; Kayne Hudson-most valuable player.

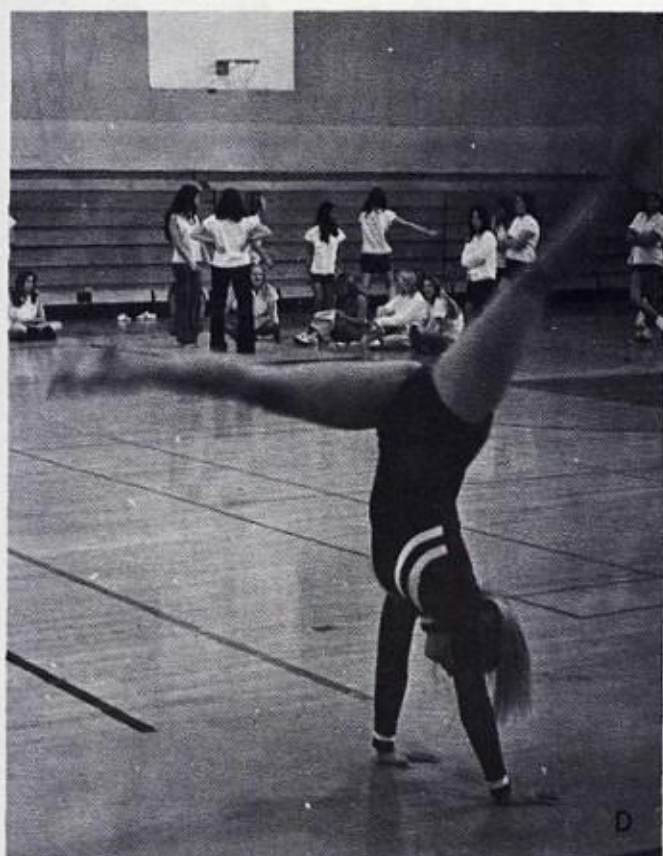

Gymnasts Present Shows

This year, the O.G. Gymnastics team, coached by Pat Bynum, presented two gymnastics shows; one which was featured in November as a demonstration for Grant Junior High; and the other show, "Gymnastica Extravaganza," which was presented for everyone in the O.G. auditorium on the evening of February 27.

With the funds raised by selling candy and tickets for their shows, the gymnastic team was able to add a new small walking beam to their facilities, new leotards, and were also able to re-cover the vaulting horse.

Following the C.I.F. finals at Escondido High School in April, the gymnastics team participated in a Gymnastics Clinic held in Palm Springs during the month of May.

Soccer in Dismal Season; Look to Next Year

The 1973-74 Varsity Soccer team had a dismal season winning only two games, but coaches and players can hopefully look to next year. This was only the third year of soccer it has not yet caught on in popularity at OG.

Ignacio Leon, Al Weaver, Joe Rowley and Victor Larios, led the varsity squad in coach Alan Lambert's eyes. This year's squad was left with a difficult task. Most of the other Avocado league teams have improved and OG would have also but they lost most of their players to graduation.

Two years ago only 15 people went out for soccer. This year there were enough players to create a JV team as well. Joeseeph Farias filled the coaching spot and did a good job coaching his inexperienced squad to five wins. The team made up mainly of freshmen, should supply the varsity with plenty of talent for next season.

Coach Farias feels that Ken Clifford, Ken Arendse, Mark Burlington and Dan Moczarney put out the greatest amount of individual effort.

JV Wrestling Takes Second in Avo. Action

The 1973-74 Junior Varsity wrestling team took a second place in the Avocado league losing only one game all year, to the Oceanside Pirates, 36-26.

In league finals, the Pats battled to a rare tie with the Pirates - 106½ each.

The Pat's showed their power and coolness under pressure by totally dominating Escondido, 57-15, and by edging Carlsbad in a close one, 29-28.

Grapplers secure second; 11-2 overall

The OG Varsity Wrestling squad closed out it's 1973-74 season in second place with a 6-1 Avocado league record.

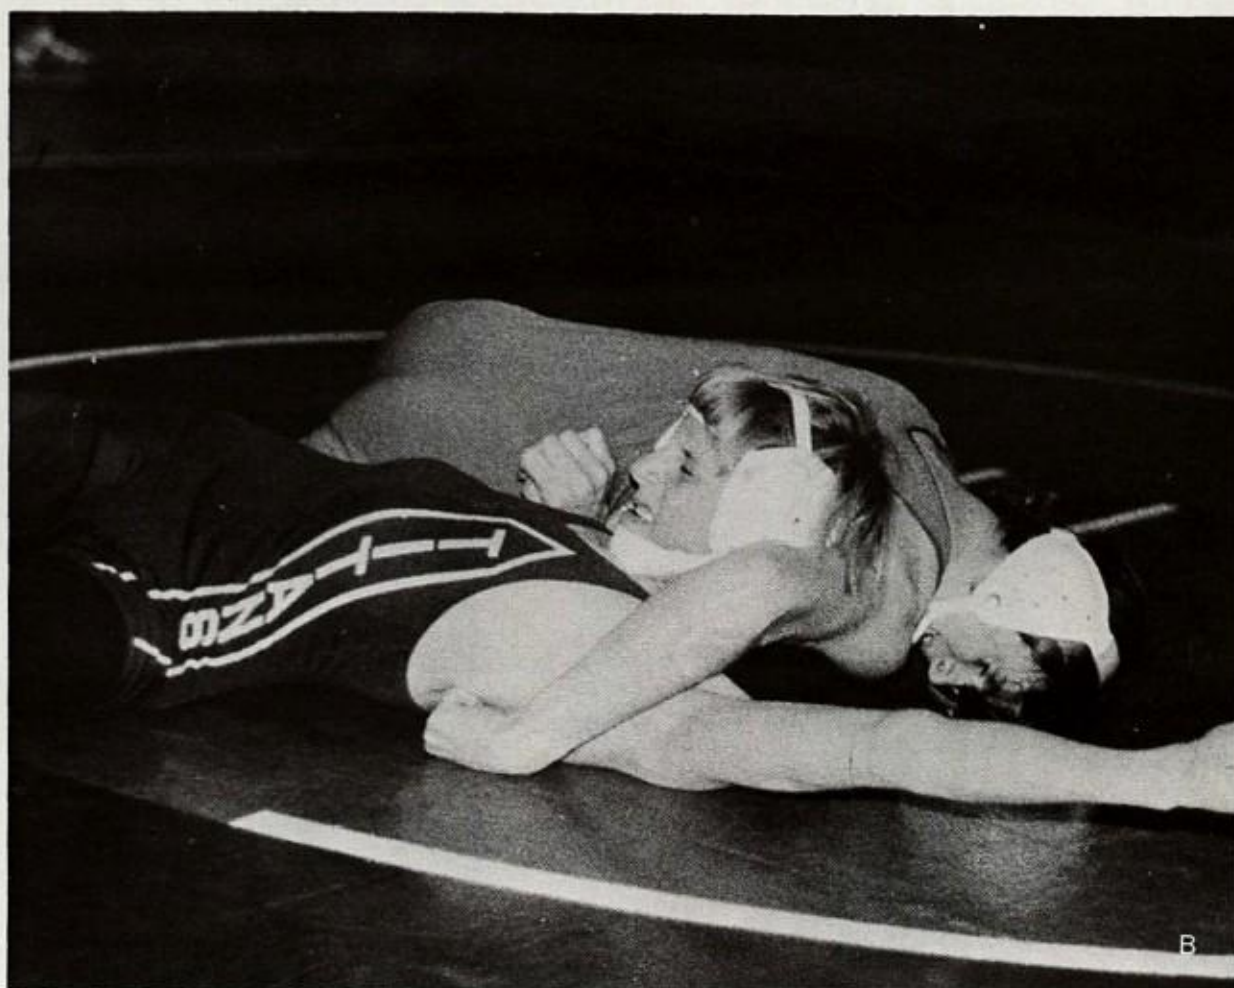

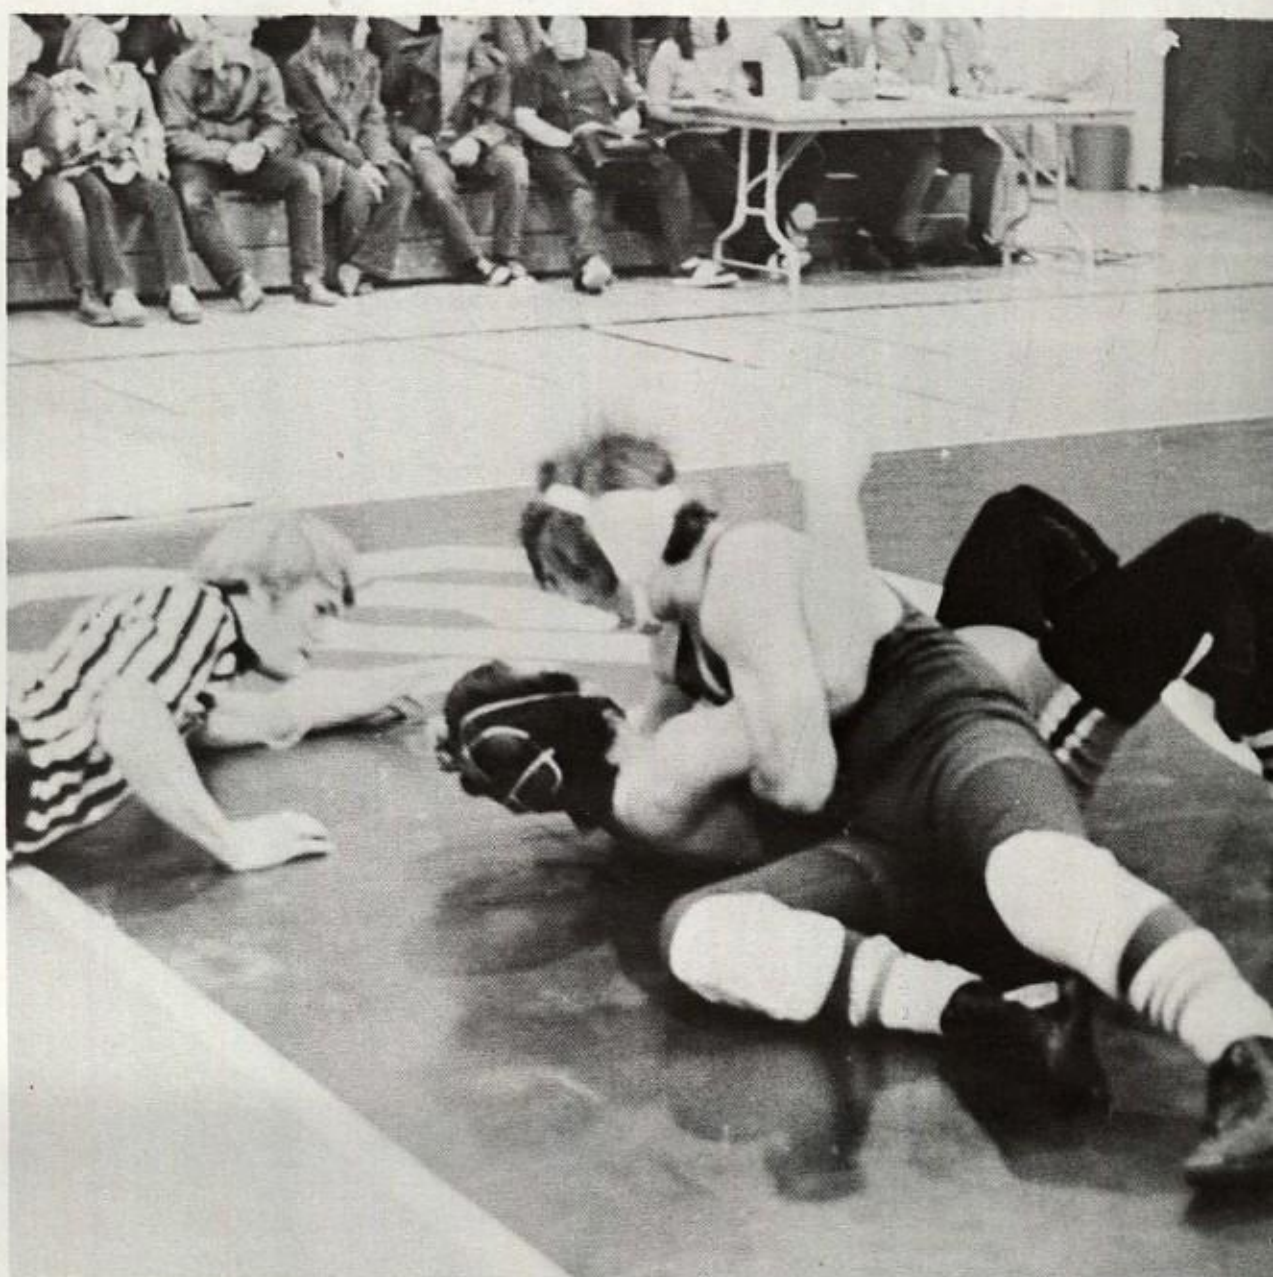

Behind first year coach Mark Karges the Pat's did very well in preseason action losing only to Patrick Henry, 33-27.

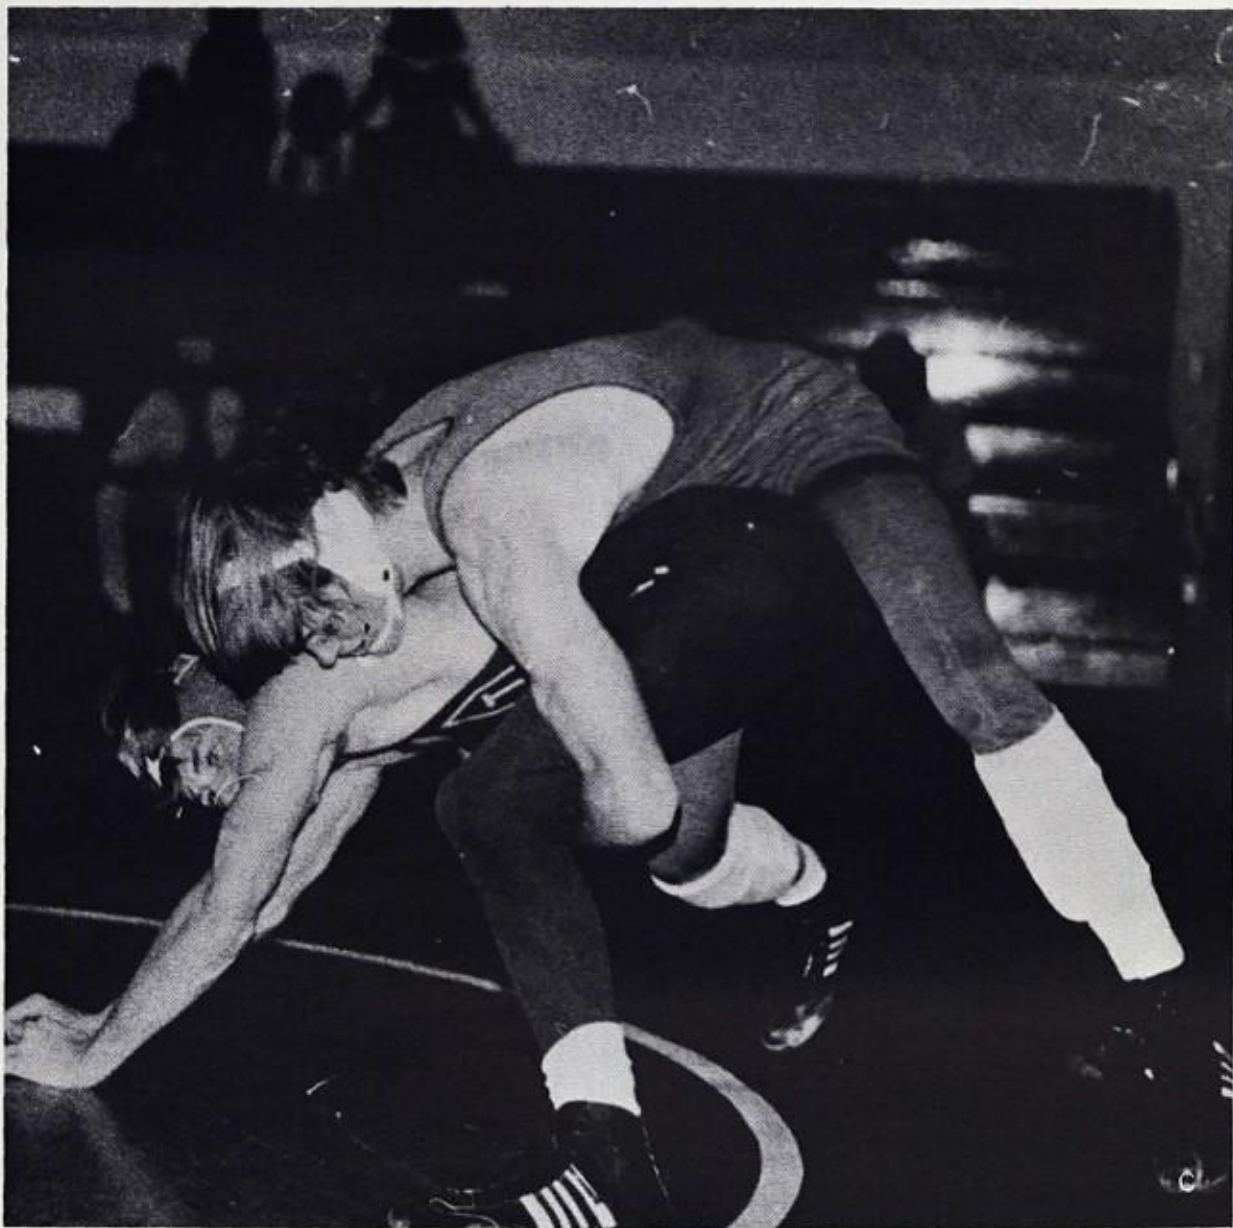

In other preseason action OG took a first place in the San Dieguito Tournament and beat Santana in a dual meet, 42-16. In a triple dual meet the Pats beat Coronado, 56-0, El Capitan, 36-21, and suffered the loss to Patrick Henry.

In Avocado League action the Pats beat rivals San Pasqual and Escondido 42-19 and 48-14, respectively.

Edwin Dilbeck was one standout this year. Dilbeck captured first places in the Patrick Henry, El Capitan and San Dieguito Tournaments.

Mike Kerr, a freshman, was certainly a welcome surprise. Kerr was the 8th grade National Champion a year ago and has moved up to do a respectable job this year on the varsity level.

Drama Begins Year With Beauty and the Beast

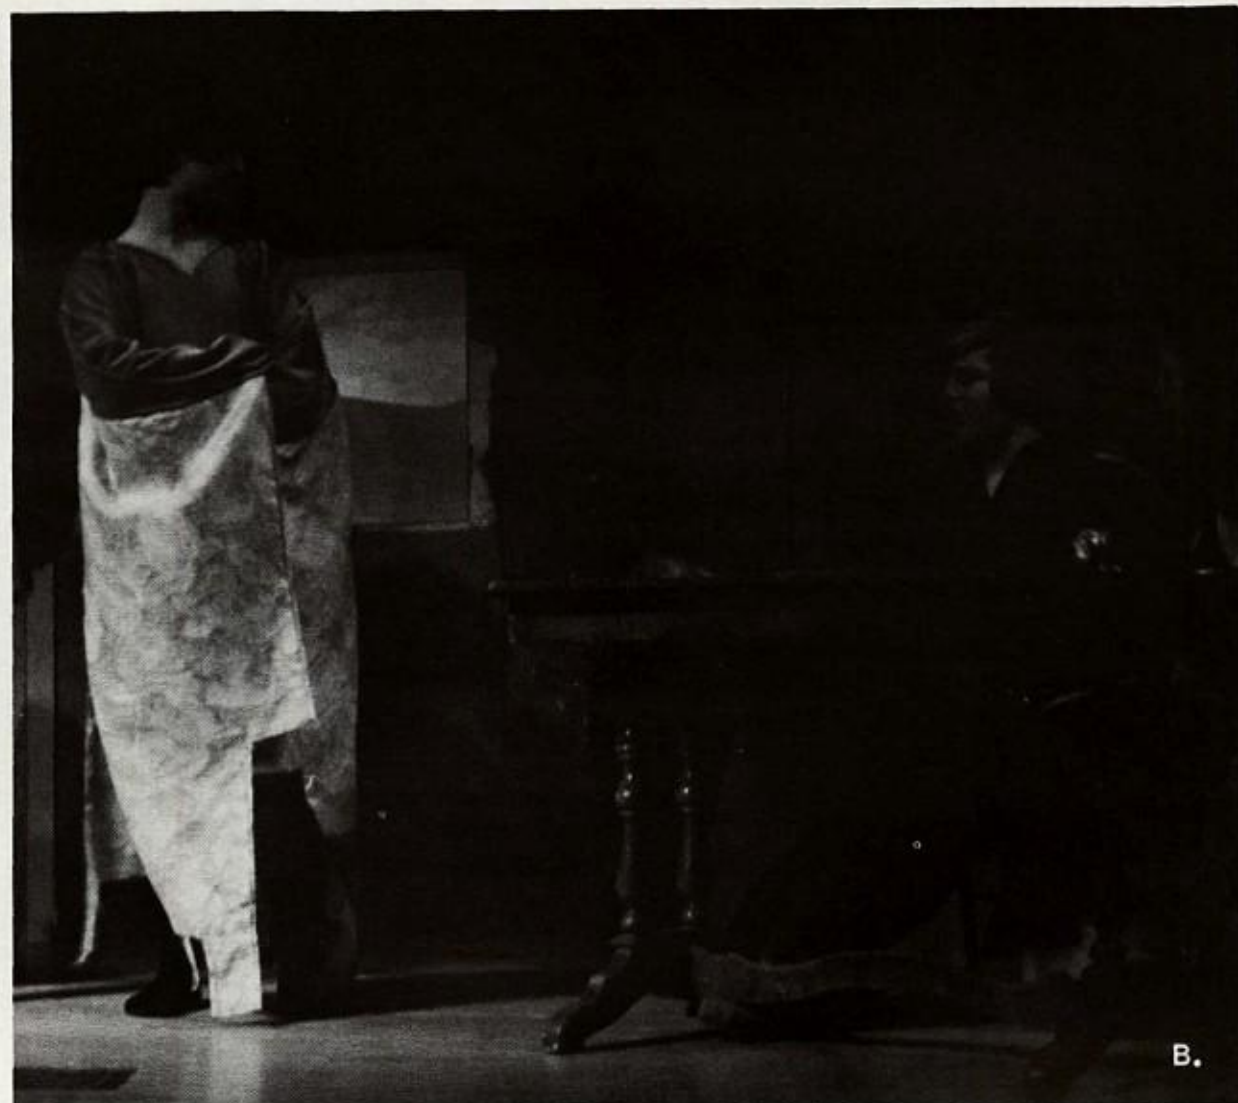

The Winter play performed by the Orange Glen Drama department was rewritten by the Drama club from the original Fairy Tale movie, "Beauty and the Beast." The costumes and props were designed and created by the stage crew.

The play was about, "Beauty," the young and sensitive girl who's concern for her father leads her to a life condemned to living with the "Beast." But the "Beast" is really a prince who was transformed into the "Beast" because his parents did not believe in the magic of childhood.

The play had two alternating casts. The stars were: Cheryl Burnor and Alexandria Kicenuik as "Beauty" and Brian Deis and Don Smith as the "Beast."

It was performed at eight elementary schools and then made a two-night stand at Orange Glen.

A. Cheryl Burnor as "Beauty," and Brian Deis as the "Beast," portray a touching scene of the play. B. Mark Reina, Craig Hope, and Alexandria Kicenuik as "Marcel," "Beauty," and "Beauty's Father" in a kitchen scene. C. John Rutherford, Chris French, Cheryl Burnor, and Mark Reina, play the parts of "Pierre," "Beauty's Father," "Beauty," and "Marcel." D. The "Beast," Brian Dies, reacts after the rose, the only living thing in his palace, is picked. E. Mark Reina, as "Marcel," shows a look of frustration. F. Don Smith and Alexandria Kicenuik, as "Beauty" and "Beast" in one of the love scenes.

Varied Activities Highlight Winter

Entertainment was a key word this winter at OGHS. Just about everyone was a part of the act.

To beat winter doldrums, the band often had social functions and concerts of their own. Not to be outdone, the Modern Chorale performed at many of the schools and other places in Escondido throughout the year as well as taking other special trips.

Senator Clair Burgener came to school to talk to the seniors during a special senior assembly. Santa Claus also visited Orange Glen during the holiday season.

Frosh Show Great Promise

With the dribbling skills of John Ashworth and Rick Disney along with the rebounding ability of Terry Thomas and Paul Troffer the 1973-74 Freshman Basketball team is a well-balanced unit. Coach Bud Serviolo is happy with the squad, and well he should be. The Pats rose to their best against the San Pasqual Golden Eagles, stomping them 49-30.

The Frosh Football team started out strong behind the running of Jim Colvin, the Pats leading rusher. OG beat San Marcos, 33-18, Earl Warren 26-6,

Vista at Lincoln 14-0 and San Pasqual 14-0. They lost to Escondido in a close one 14-8 and wound up the season with a 6-4 record. Coach Dick Disney headed the freshman after resigning as Varsity Head football coach. Disney took a year's leave of absence to visit Europe and the Olympics as well as touring the United States. He then returned to take over the Athletic Director's job and the Freshman football team.

JV Finishes in Three-Way Tie for First

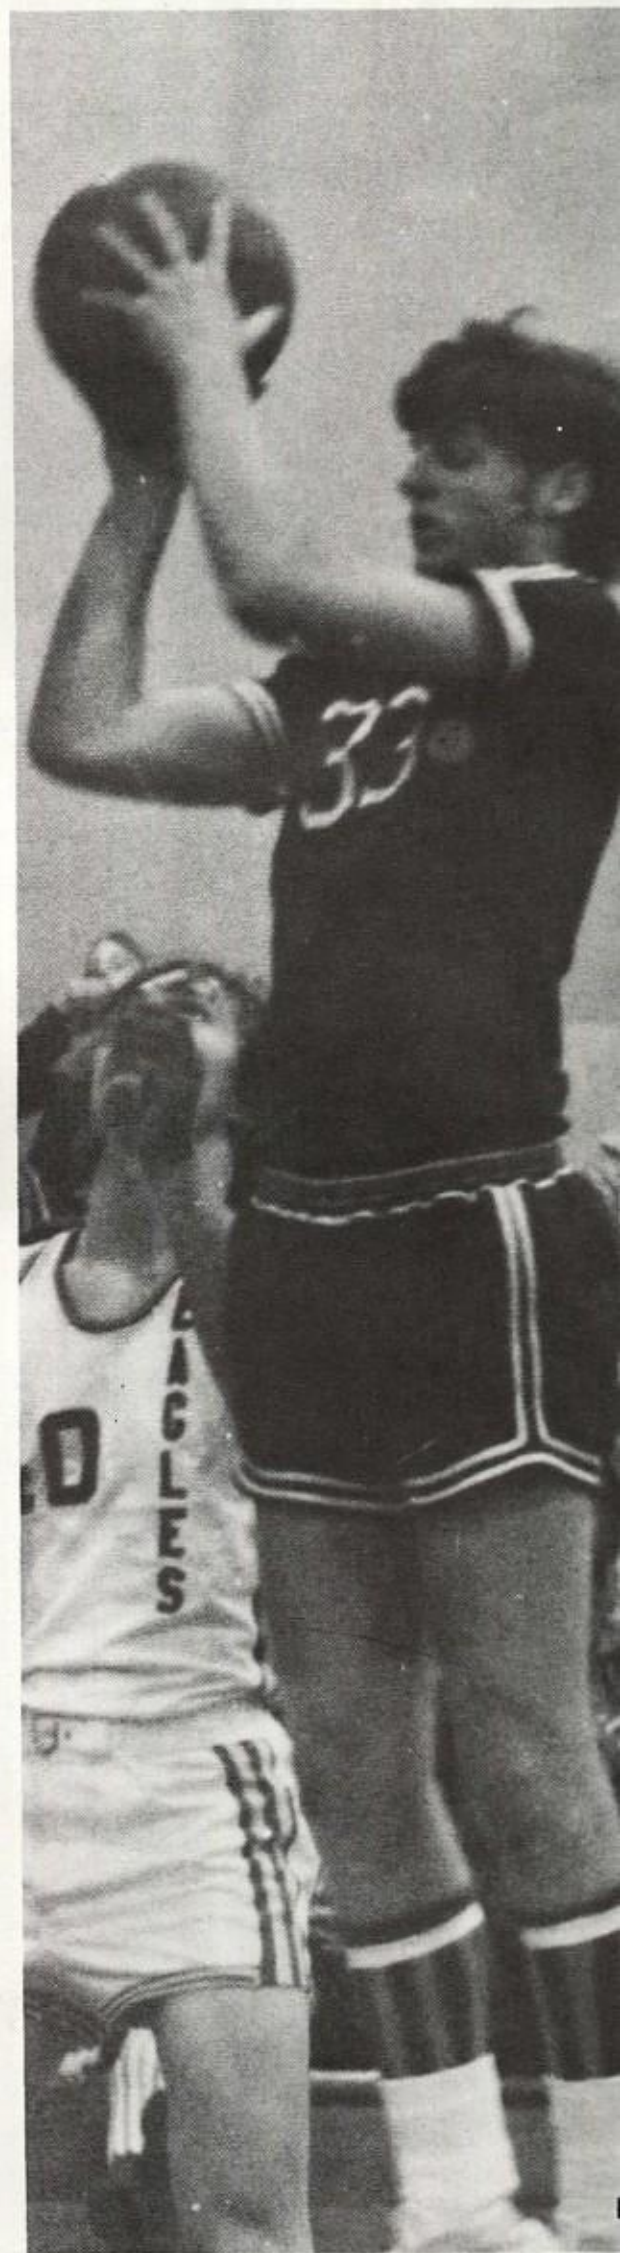

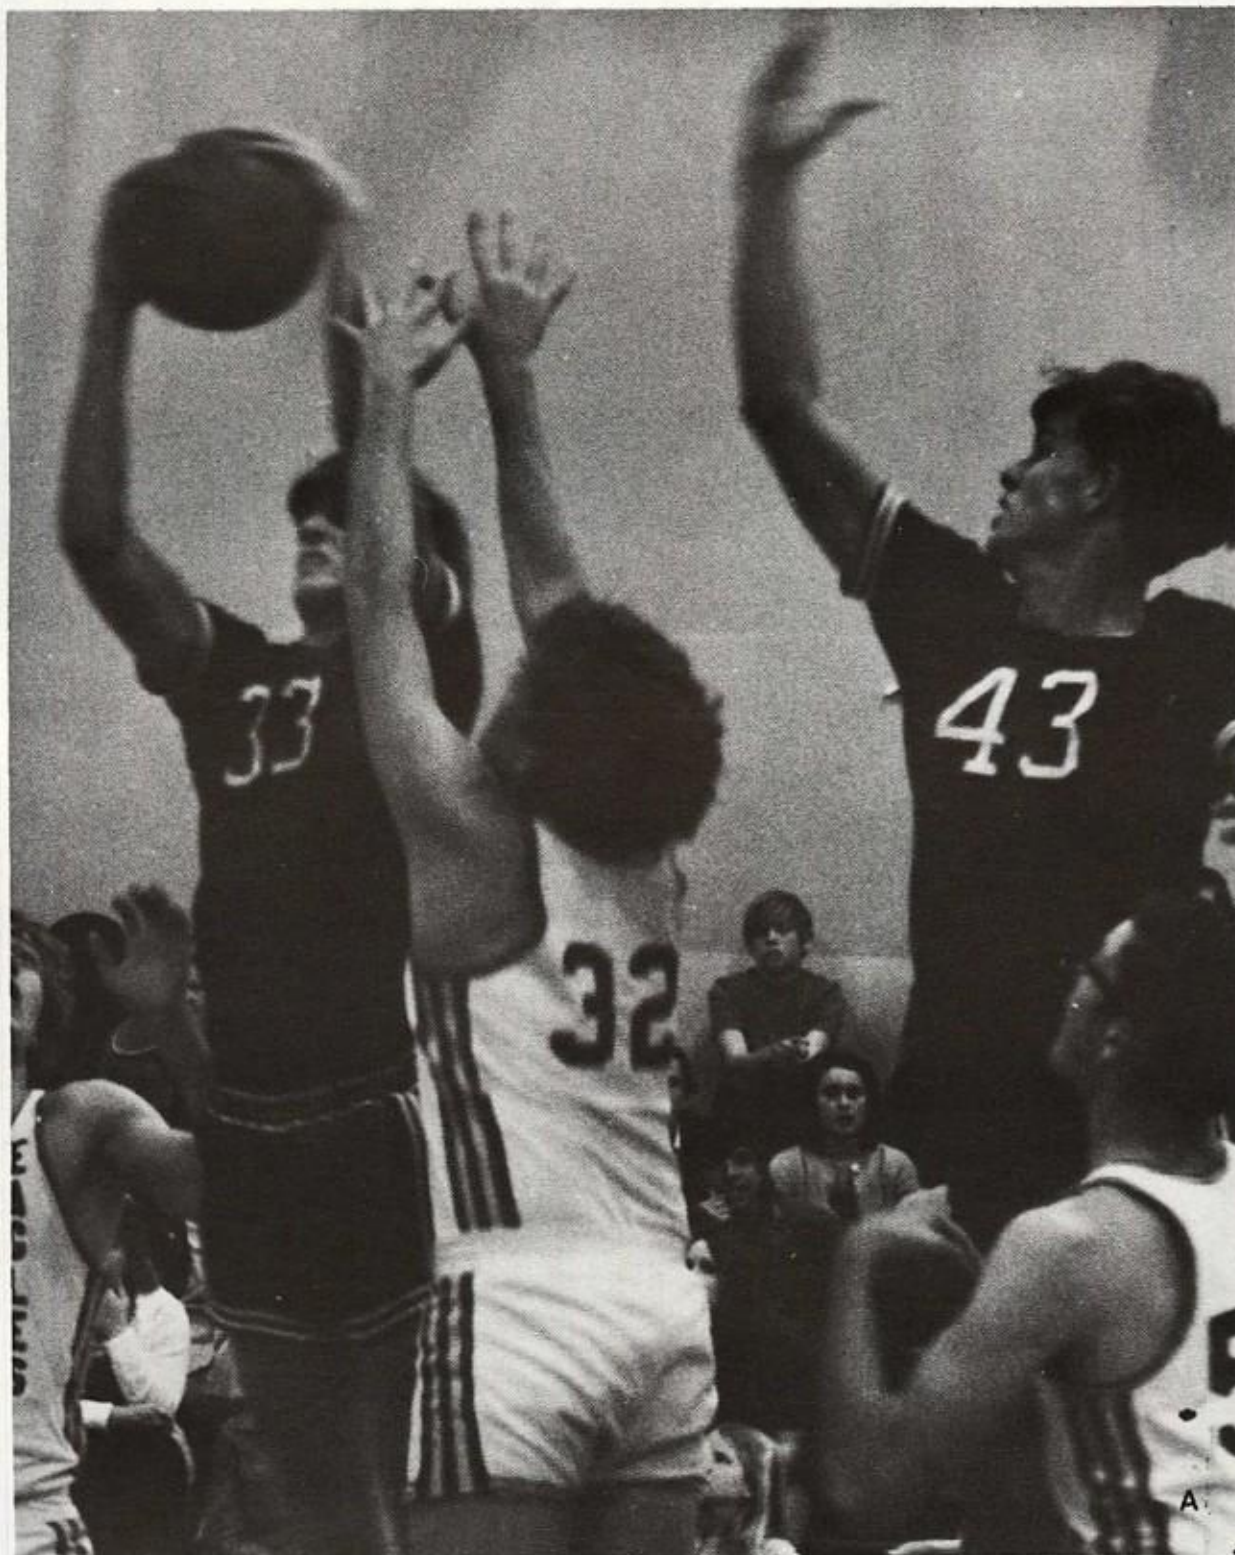

The J.V. basketball team ended its 1973-74 season in a three-way tie for first place, with a record of 10-4. Carlsbad and Oceanside were also included in the deadlock.

Besides a cold spell in the early going the Pats soon hit a hot streak and battled to the first place seat.

O.G. lost to Oceanside and Carlsbad one time each.

The Pats needed to win their last two games in a row to secure sole possession of first place. But Escondido upset the Pats en route, thus creating the tie.

Pace, O'Donnell 'PACE' Pats

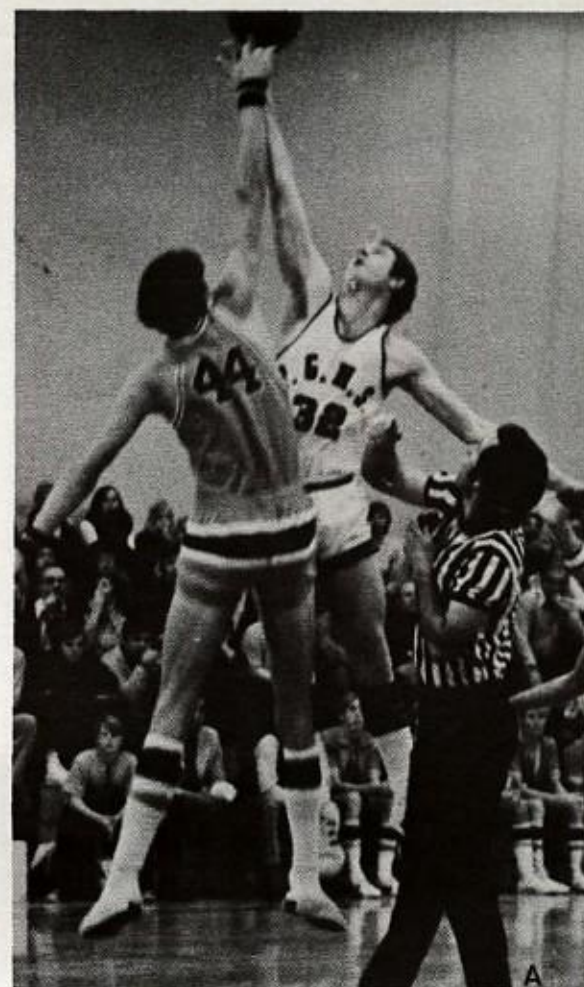

Orange Glen's Varsity Basketball Team had a "fair" year, under the direction of coach Brad Merrill. Coach Merrill, the third Patriot coach in three years, came to OG from San Pasqual and San Marcos high schools. He brought with him a new style of ball playing, concentrating on controlling the ball and setting up for high percentage shots.

John Pace, a Junior guard, and Mike O'Donnell, a Senior forward, did most of the scoring for the Pats. Pace, the Avocado

League's number two scorer, averaged over 15 points per game.

Playing a tight 1-3-1 zone defense, the Pats rolled over some tough opponents, including the Oceanside Pirates.

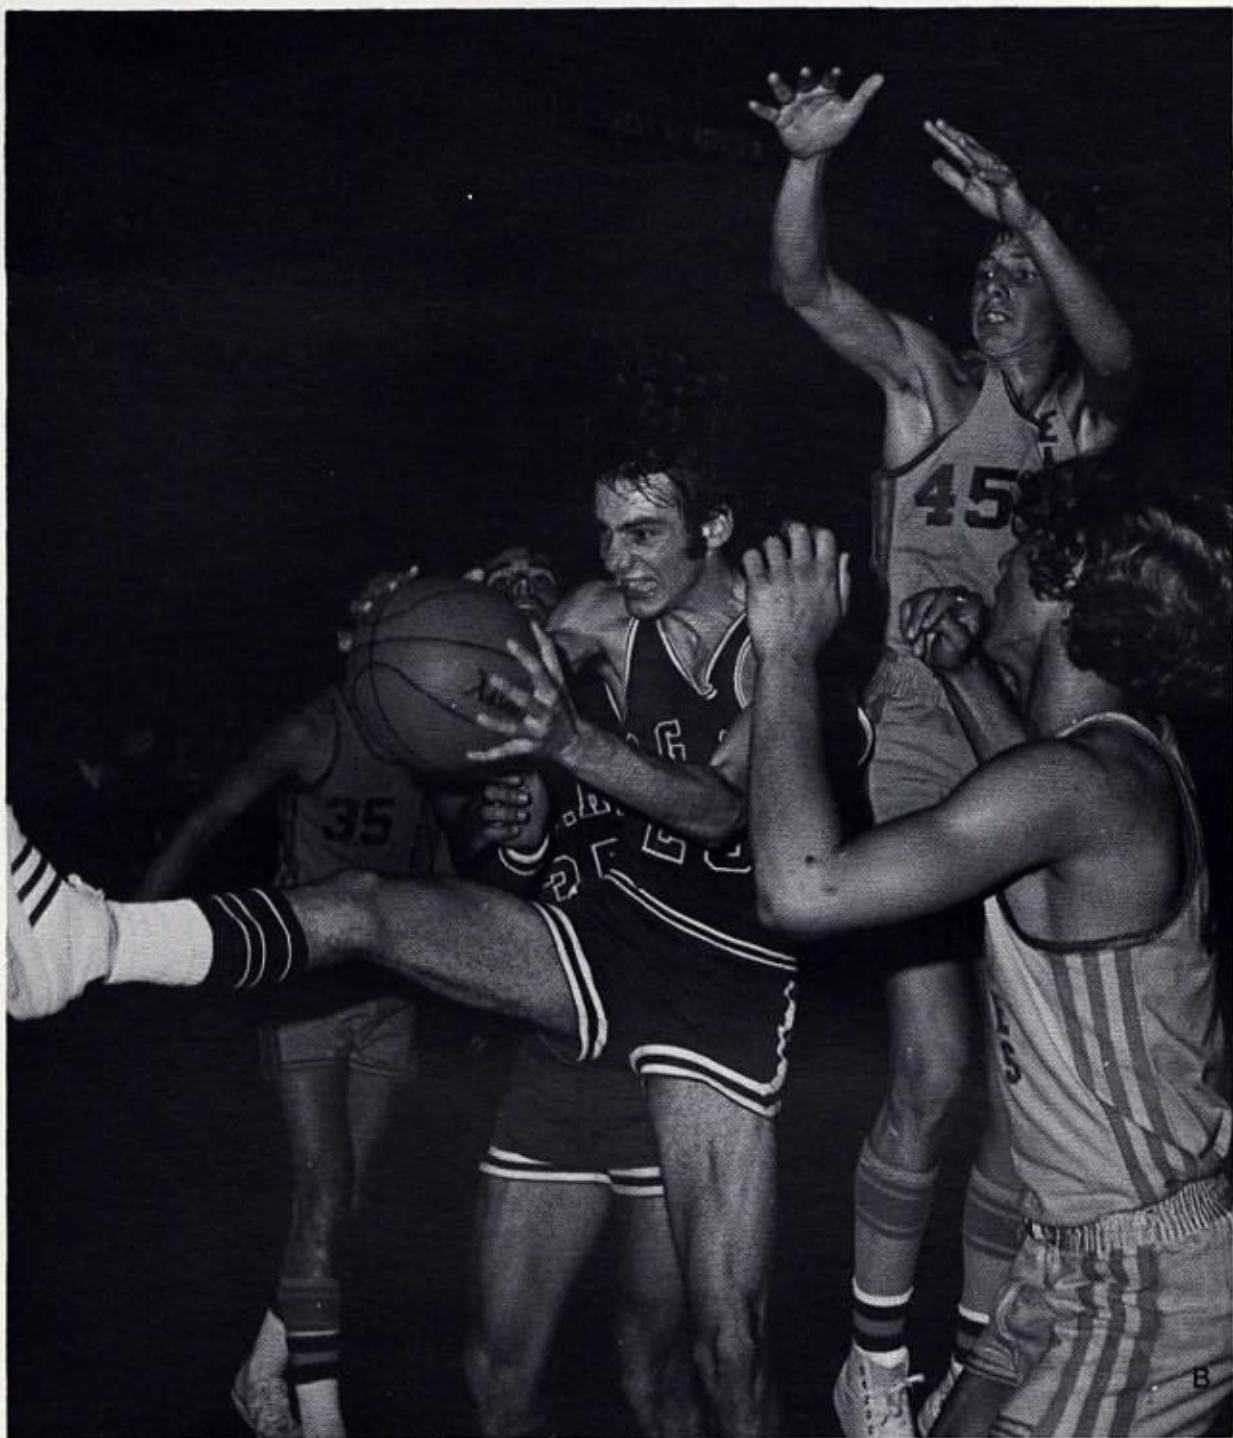

Although the Pats had a hard time at the beginning of the season getting used to the plays and taking the proper shots, (they averaged under 40 percent for their first five games), they adjusted their sights and became steadily more consistent.

Act III Spring

For Winter's rains and ruins are over,
And all the season of snow and sins;
The days dividing lover and lover,
The light that loses, the night that wins;
And time remembered is grief forgotten,
And frosts are slain and flowers begotten,
And in green underwood and cover
Blossom by blossom, the Spring begins.

Spring Provides a Variety of Entertainment.

To open the Spring festivities at Orange Glen High School was an assembly starring the Pop group, "Shuffle." The group consists of Rick Fitts, vocals; Terry Casburn, bass; Thom Mooney, drums; and Randy Klawon, lead guitar. They played an arrangement of music from "Oldies" and "Boogie Woogie" to "Rock and Roll".

Because of lack of interest in raising funds to support the annual Senior Play, the Drama department instead put on a series of one-act plays and held a one-act play night here at the school. The plays performed were; IMPROMPTU, HOME FREE, LAVENDER KITE, 22ND STORY, HOW HE LIED TO HER HUSBAND, and MOONEY'S KID DON'T CRY.

This year the Forensics Club and the Senior Class sponsored a Varsity versus Faculty Basketball Game. Varsity won 90 to 45.

JV Diamondmen 2-1 in Non-League

This years J.V. Baseball team got off to a slow start this year. With a non-league record of 3-3 and an Avocado league record of 1-2, the Pats beat Vista in the opener 7-6. Jim Pugh smashed a home run as Dan McGuire and Mark Gaxiola combined for the win. Richard Gonzales' bat and David Wolowsky's arm may prove to be helpful this season.

Once again the Patriot Varsity baseball team is hoping for a playoff spot and possibly a first place Avocado league crown.

Behind Head coach Jeff Carlovsky's strategy, Frank "Paco" Gonzales' throwing arm and tight defense the Pats may very well do it.

Gonzales has already started on a strike-out campaign when he fanned 18 Ramona batters. The Pats won the game 6-0. In other pre-season action the Pats dropped an 8-2 decision to a high-rated Coronado team.

Despite a few early complications with some team members' grades the Pats are very strong with no injuries.

Golf "Driving" for Success; 3-0 in Pre-Season

John Russell and Greg Kelly are no longer playing on the Pats' home course, the Escondido Country Club. Don Bedford is no longer able to play because of academics. Varsity Track Hurt by Morasco Injury

Mike Morasco, Steve Goodbody and Randy Fain are having a good season for Pats. Morasco set school record with 1:59.1 in the 880. Steve Goodbody stars in the high and low hurdles. He brought his lifetime best down to 20.8 recently in the lows. Fain is Pats' distance running stand-out in the mile and two-mile races.

A - Gary Godwin is middle man on Patriots' relay team. B - Steve Goodbody cruise to win in high hurdles against Escondido. C - Miler and two-miler Randy Fain finishes far ahead of the Cougars. D - High jumper Joe Smith goes over bar in practice. E - Shotputter John Powell practices as UFO bears down on him.

Peavey, Goodbody Lead Spikers

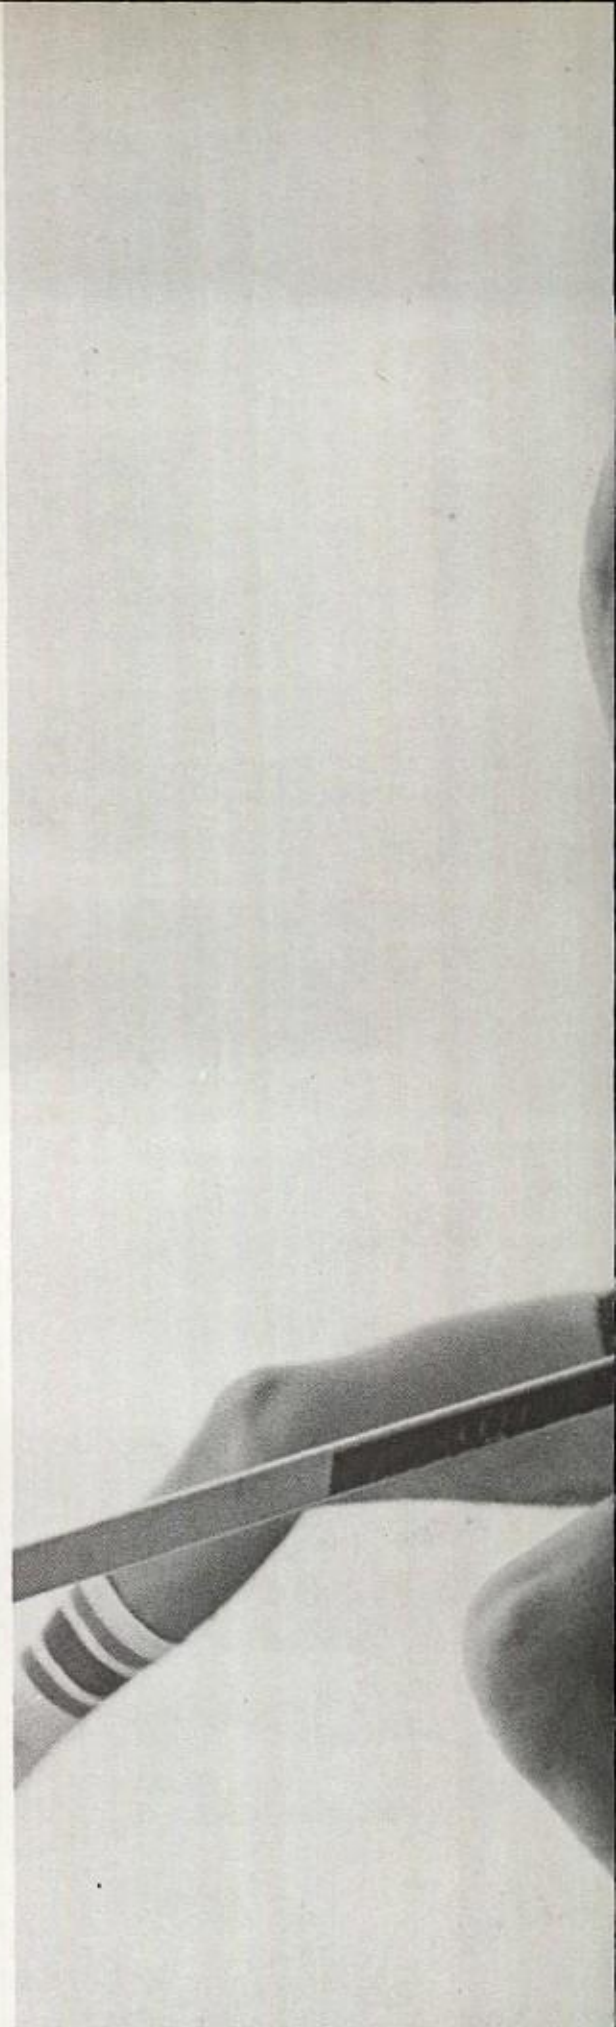

Bob Peavey and Steve Goodbody, two of Orange Glen's top all-around athletes, have done most of trackmen's scoring.

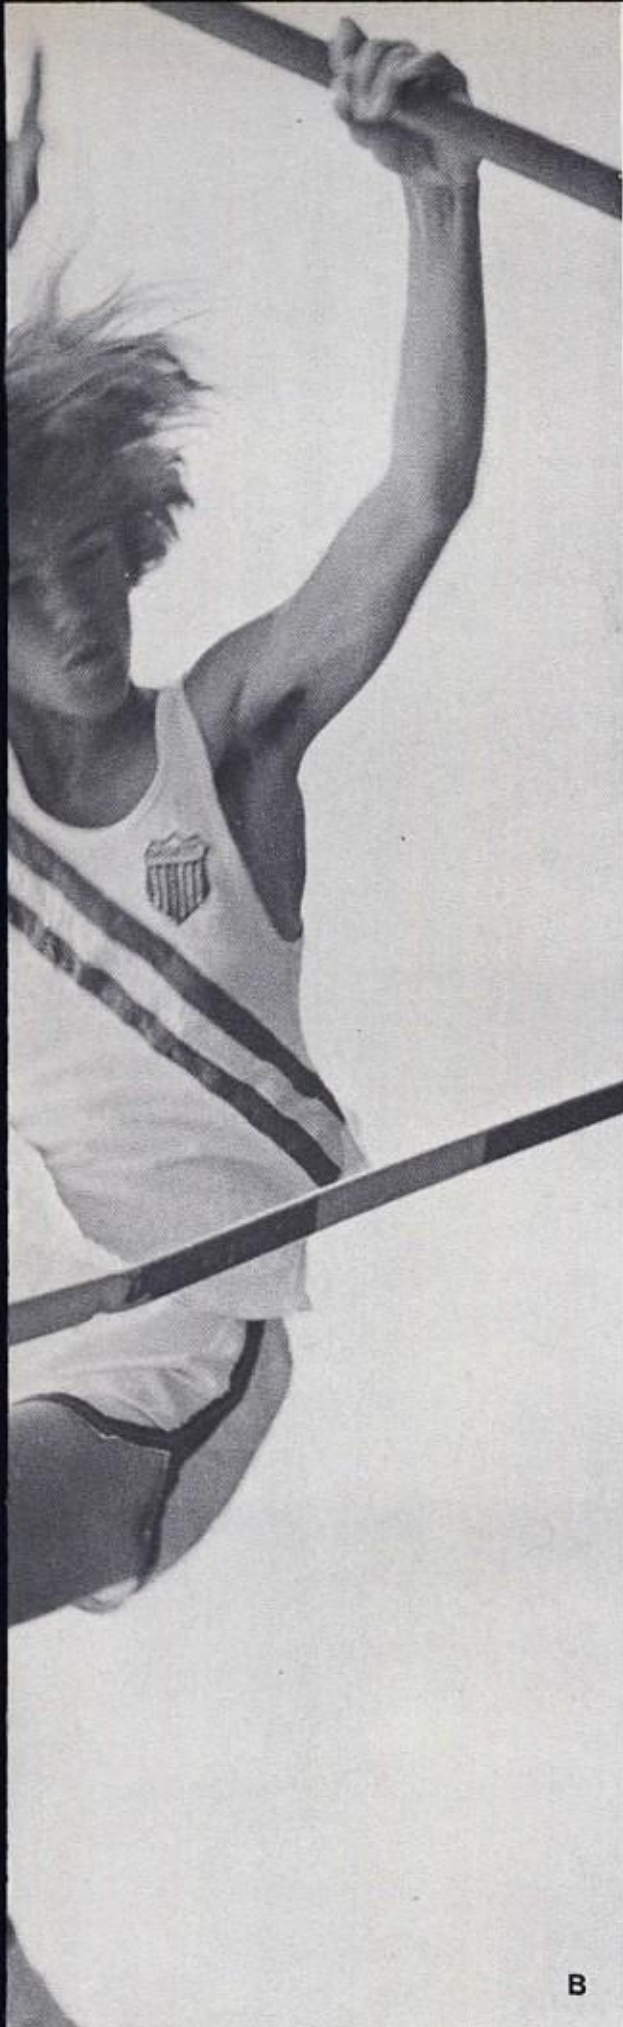

Peavey has been consistent in piling up points in virtually all of the Patriot races and normally racks up at least one win per meet.

Goodbody is probably the top OG hurdler. He scores in almost every race and won both the 180-low hurdles and 100-high hurdles several times.

Peavey also participates in the long jump. He is consistent in these events, even though he doesn't score as many points.

Goodbody, too, performs in the mile relay, usually in one of the middle positions.

Patriot Point-Getters Track on

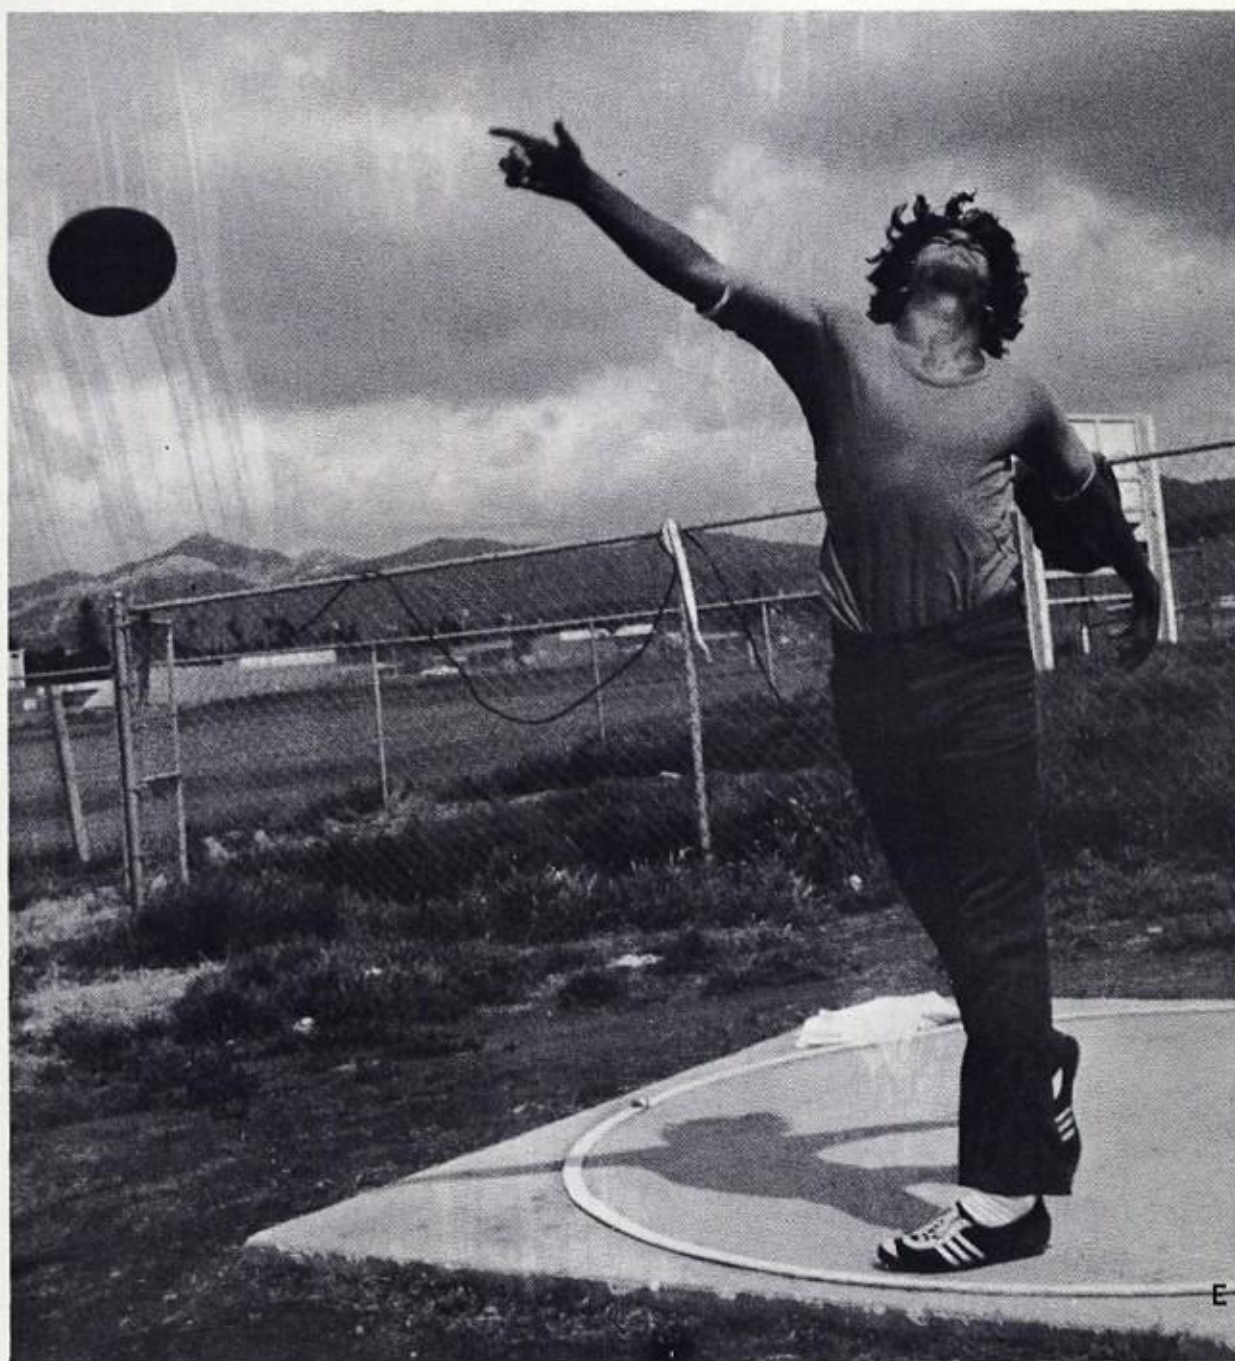

The Orange Glen Track Team has had a dismal season, so far. With five meets behind them, they have only one win, that against Grossmont in the first meet of the season.

Behind the Pats top three come other outstanding athletes, including Seniors Steve Goodbody, Mark Walker, Don LeBlanc, Dennis Budvarson, and the Leons. All of these Seniors are consistent backup men, each doing a find job for OG.

Regardless of how the Pats do this season, they will have a strong under-classmen team coming up next year.

Next year's milers and two milers will have an easy job, as several of the Cross Country team leaders will be coming back. Mainstay for the Pats will be Barclay Davidson, who had a very successful season.

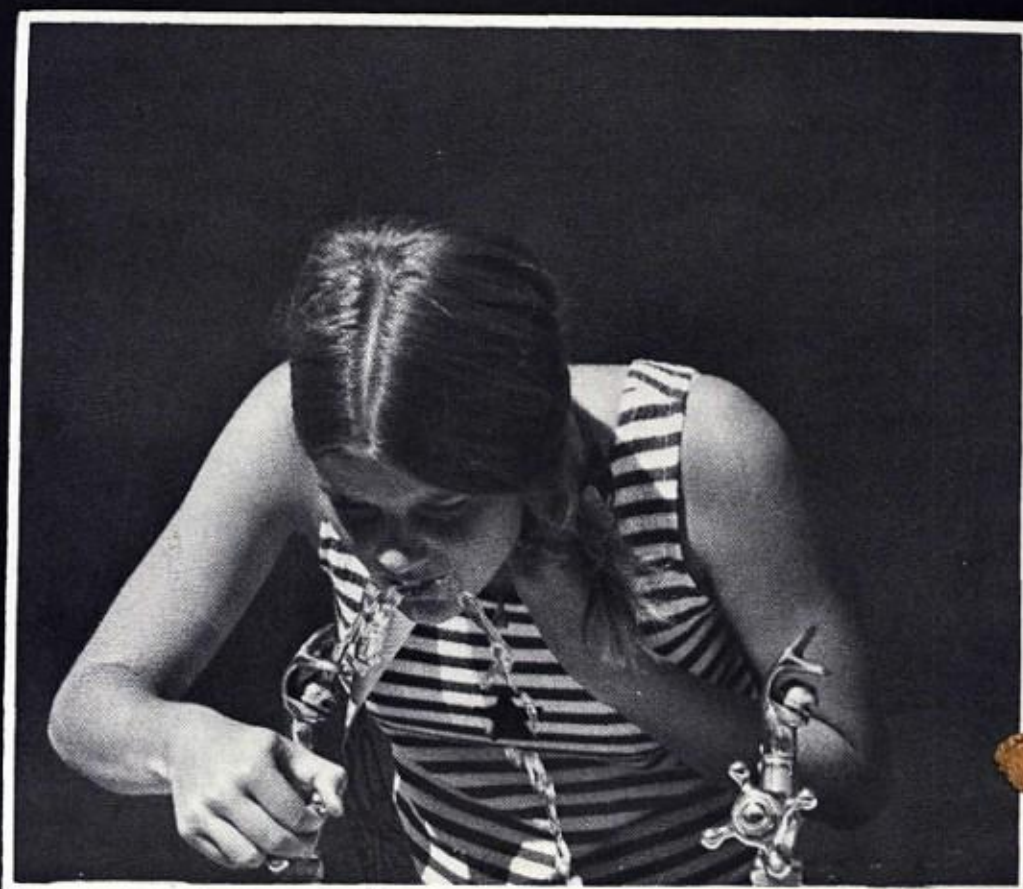

This year, the Pats have been hampered by lack of manpower, as there are fewer than 40 athletes in all three trackteams. This really hampers the Pats, as often they cannot run three people in each event.

A. Mike Morasco breaks the tape in the 880, ahead of Vista runner and teammate Gary Godwin. B. Bob Peavey hits the sand after a winning long jump against Grossmont. C. Shotputter Mark Walker loosens up in practice. D. Steve Goodbody breaks away from opponents in the 130 low hurdles. E. Discus hurler Ignacio Leon lets one fly.

The Cast

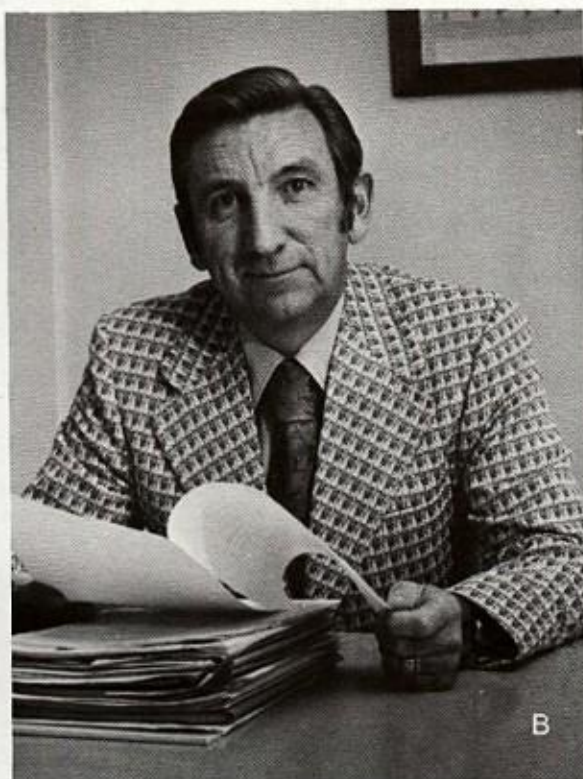

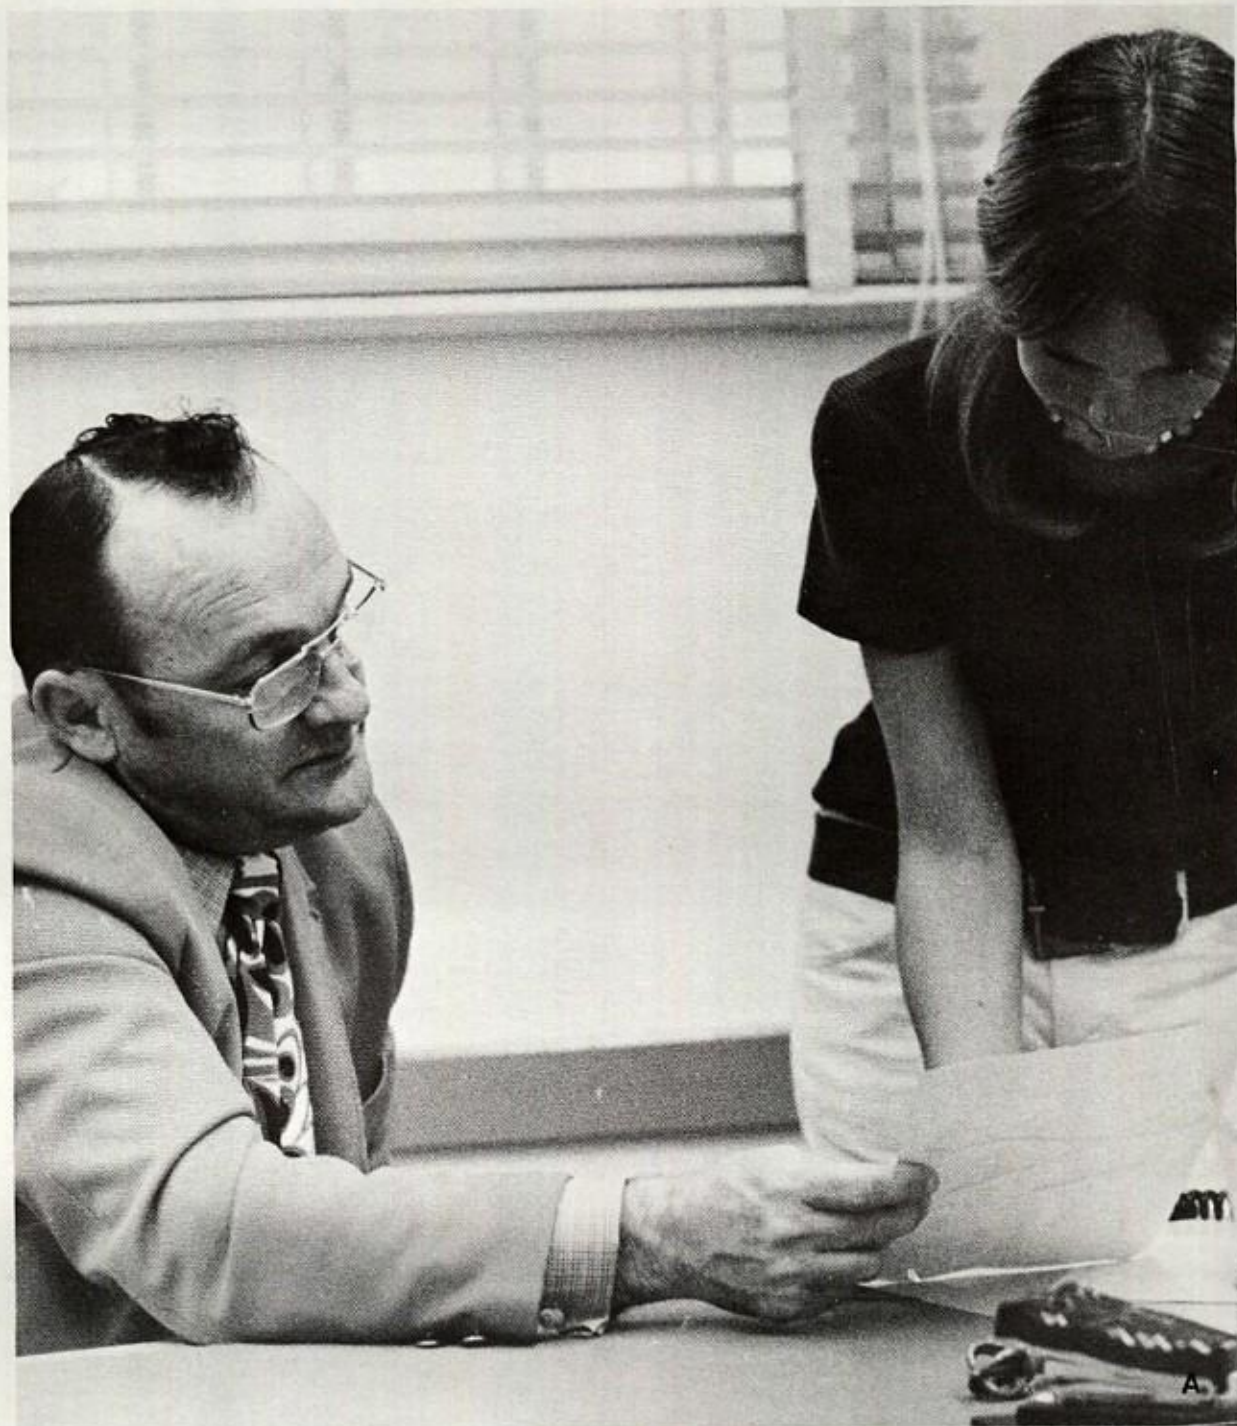

Looking back on life, on ourselves,
to youth, with a crimson flower and love.
To youth, with their games,
and masks and awareness.
Remember when you laughed
and played your silly role -
that was youth; that was living.
But then you found a better script,
a deeper play - and you changed.
You left behind your imprint on the page
of time, immortal, unmistakably yours
then you moved on, to a new world,
your new identity.
But you can never forget your youth,
in reality, only a dream,
left in your memory.

 Beyond tomorrow's mystic gates.

Creativity Key to English, Comm. Arts

English classes were set-up differently this year. Instead of taking full-year courses, students were able to take semester courses. This gave them more choices of different types of English taught at Orange Glen. Some of the classes offered were: creative writing, science fiction, American novel, mass media, Shakespeare, and advanced placement.

As well as the many English classes, students also enrolled in many communication art classes, such as ITV, drama, yearbook, stagecraft, and photography. One of the many things ITV and drama classes did this year was to go to Universal studios.

Trying to understand the principles of Math, Algebra, and Geometry was the main goal for students enrolled in these classes.

One of the many projects in science classes this year were the dissecting of cats and other animals. Mr. Denton's biology classes rode their bikes to Felicta Park to look for biological organisms with which to study their respective biological functions.

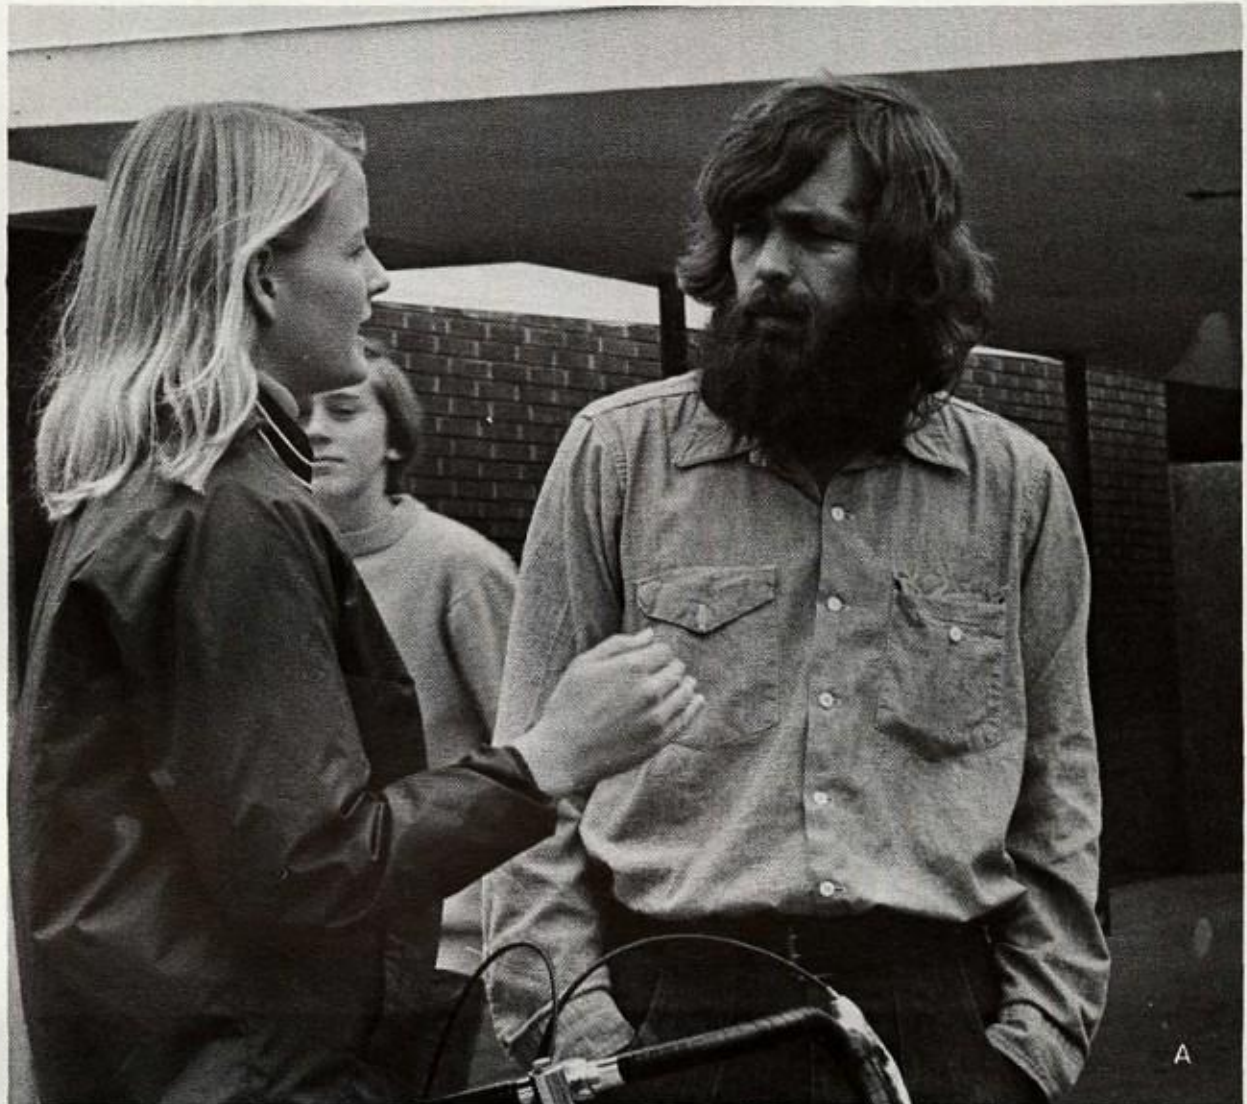

Social Science; Languages Teach Culture

Among the many social science classes offered were psychology, sociology, and humanities. Sociology and psychology classes did many interesting things. For example, they water-witched, and trained animals to react in different ways; also, U.S. History was required for juniors and civics was required for seniors.

French, Italian, German and Spanish were four languages offered at Orange Glen. French and German classes were taught on an independent study level, to prepare students for college courses.

P.E., Home Economics Teach Students to Get Along

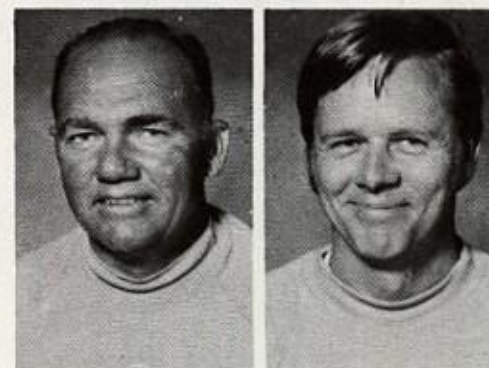

Many courses were offered in P.E., such as scuba diving, dance production, hockey, volleyball, and basketball.

Trying to get across the meanings and survivals of life is just one of the many jobs the Home Economic teachers have.

Class of '74 Shines Forever As "The Stars"

Ever since they were Freshmen, the Class of '74 has always made other classes take notice that "it was here". This year's Seniors have shown much involvement over the four years. Teachers stated that the Class of 74 reminded them of the first Senior class at O.G. because of their enthusiasm in showing participation in school activities.

High school has taught them how to get along with their peers, helped further their education and has tried to prepare them for the world...a bigger play, with a more serious script.

A. Barry Coley skims through a book in the library. B. Seniors show spirit by participating in competition yells. C. Because the Senior farewell picture was not in color, students chose to lynch class president Bob Hope and whip, Mike Morasco. D. Linda Smith and Deanna Sodi imitate the Escondido cheerleaders in a rally. E. Janice Whyte and Debbie Best dissect a cat in Physiology class.

Friendship Plays Important Role in Life

There are places I remember
all my life, though some have changed,
some forever, not for better,
some have gone and some remain.
All these places had their moments,
with lovers and friends
I still can recall,
some are dead and some are living,
in my life I've loved them all.

— The Beatles

This Year's Co-Stars, Make Prom Plans

Orange Glen High School's Co-Stars of '75 returned for their third year of high school.

Class officers Craig Hope, president, and Sally Evans, class whip, were aided by advisors, Mrs. Kay Sanfilippo and Mrs. Audrey Jaques.

The traditions and patterns followed, along with new ones made, will forever be a part of Orange Glen.

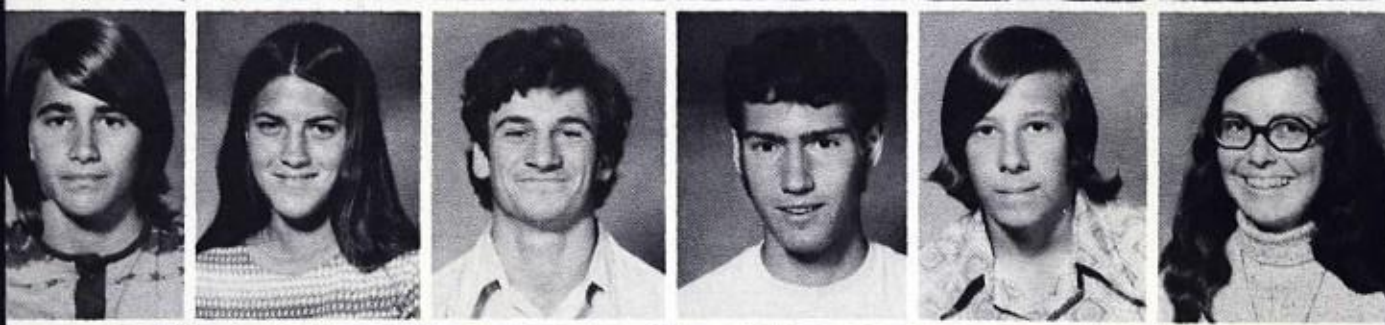

Juniors followed their familiar school patterns with ease, while working all the time on money-making projects to finance the 1974 prom. The plans included sponsoring the Ice Breaker dance and selling Patriot Buttons and decals.

A. Junior Class President, Craig Hope, and Whip, Sally Evans show their spirit. B. Jim Moody waits to perform in a half-time show. C. John Lewis, Mark Moyneur, and Tom Ness chat during their lunch break.

Freshmen Welcomed to Orange Glen

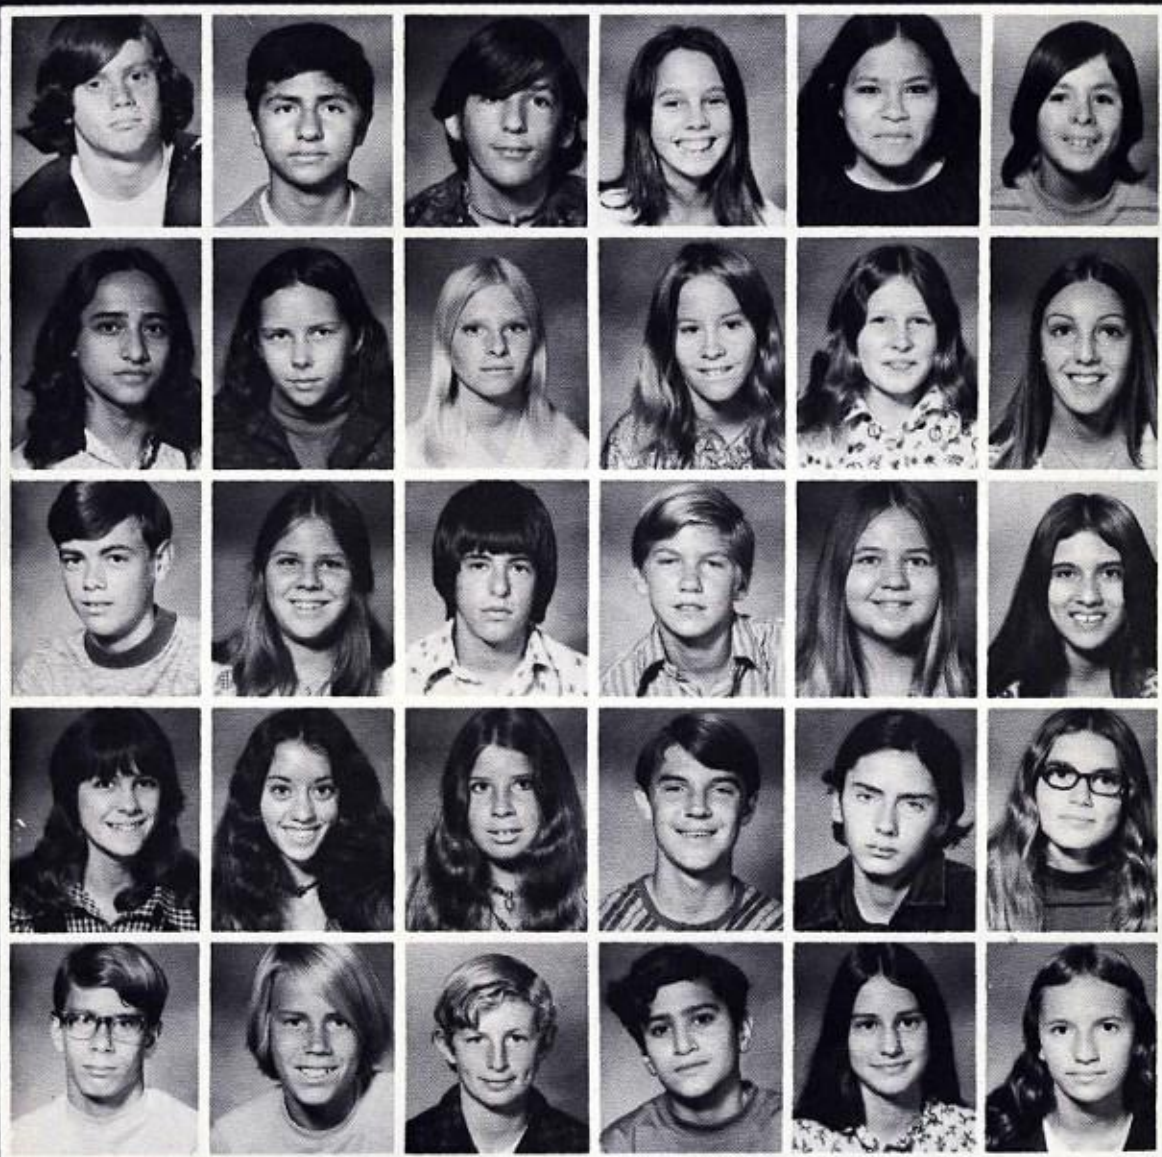

This year, the incoming freshmen were welcomed with a freshmen Orientation Assembly. At this assembly the freshmen class elected Royce Larson as their class president. Soon after the assembly the traditional Icebreaker Dance was held which was a big success with everyone.

A highlight of this year for the freshmen was Spirit Week which was sponsored by A.S.B. Some of the special activities for the week included: Old Fashioned Day, a noon dance which was in connection with Old Fashioned Day, Slave Day and also the Halloween dress-up day.

ASB Cabinet Involved in Homecoming Activities.

The most exciting experience of the Orange Glen Associated Student Body this 1973-74 year was the Homecoming ceremonies. The ASB cabinet planned the lighting of the OG on the mountain, the Homecoming ceremonies at the Orange Glen versus San Marcos football game, they also planned the decoration for the Homecoming dance.

It has been traditional as the Homecoming game to have former cheerleaders come back and cheer at the game. All former students were invited to come to the Homecoming dance.

Some of the other activities con-

sisted of a Youth in Government day at the Escondido City Hall. The students that went actually took positions of the city officers.

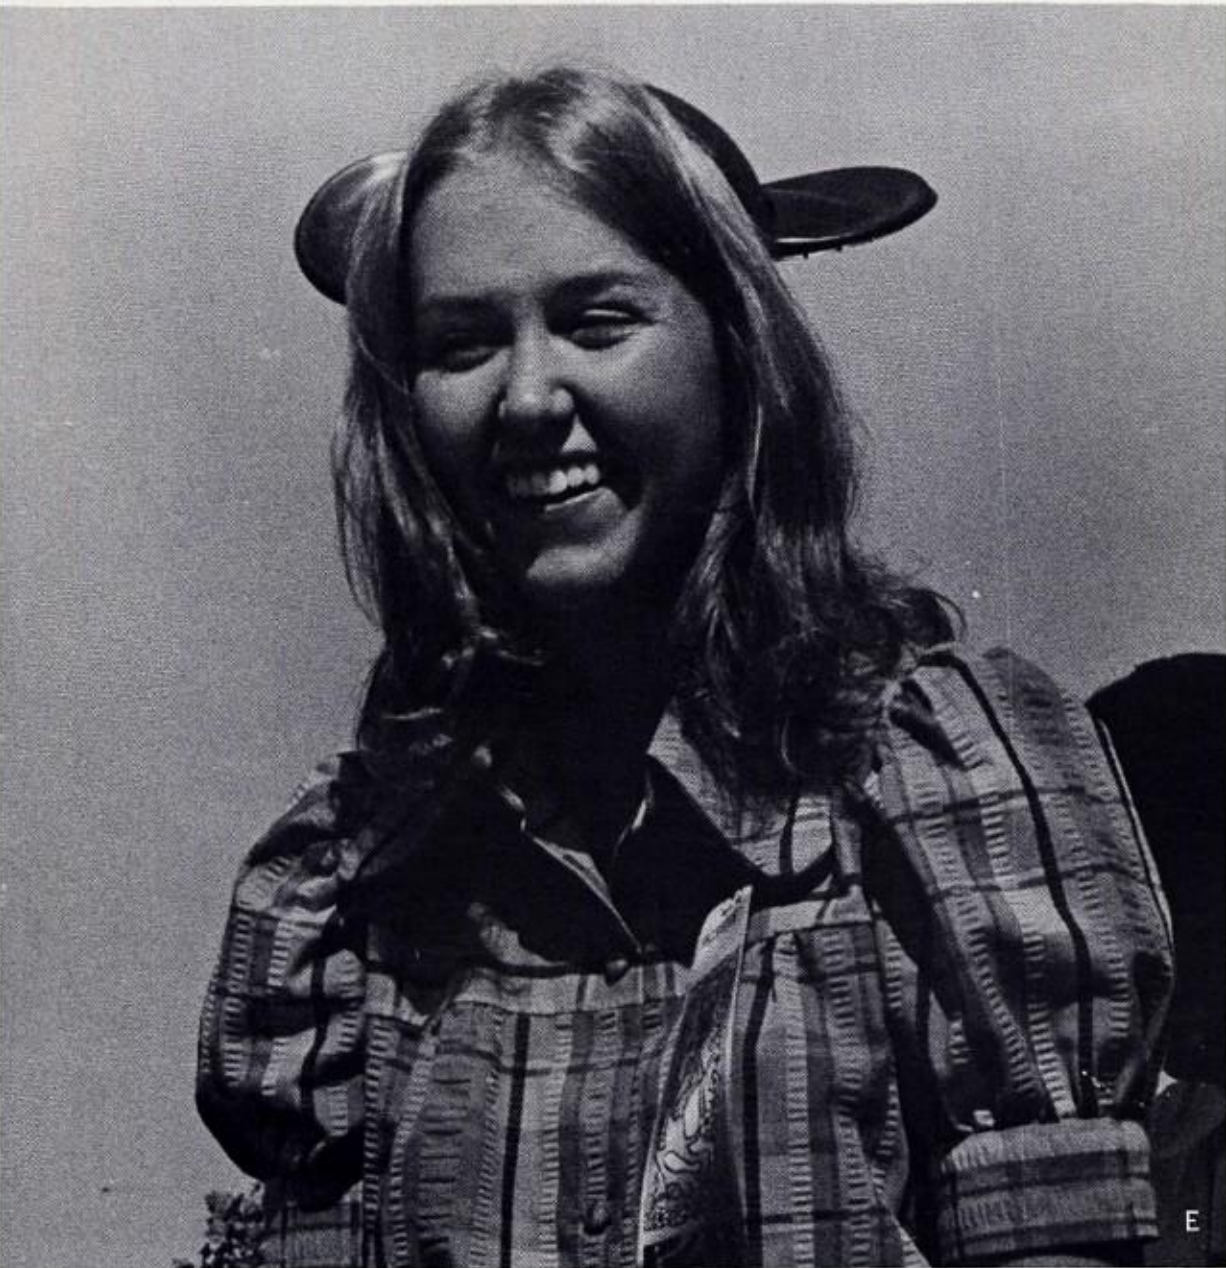

ASB also planned Spirit Week Activities. To start off the week on Monday they conducted a Slave sale. Tuesday they had slave day. Wednesday was fifties dress up day. Thursday headed off with a powderpuff football game between the Cheerleaders and GAA Volleyball team. Friday was a one-hour spirit assembly.

To promote sales of ASB cards, Kathy Thurston, ASB president, dressed as an ASB sticker on Halloween.

CSF—Studies and Plays.

California Scholarship Federation is made up of people with above average grades.

Each semester includes an Honors Day field trip where each member of the club may take a day off from their constant studying and go to places of knowledge such as, Balboa Park.

After they went to the park, they went ice skating.

There are about 140 students in this club, but that number varies from semester to semester depending on their academic qualities. They try to give at least one scholarship a year.

Deltons Led by New Advisors

Deltons confronted the community with vigorous enthusiasm. They helped the Lions with their White Cane Drive, also they gave a deserving senior girl a \$100 dollar scholarship.

This past year they did such things as helping as guides for back to school night, and leaving a gift to the school at the end of the year.

The club (made up of Junior and Senior girls) was headed by the President Gail Culver and advised by Mrs. Slaton.

Key Club Serves Community

After raising money from their halloween candy sale the Key Club set out to find some practical ways to spend it.

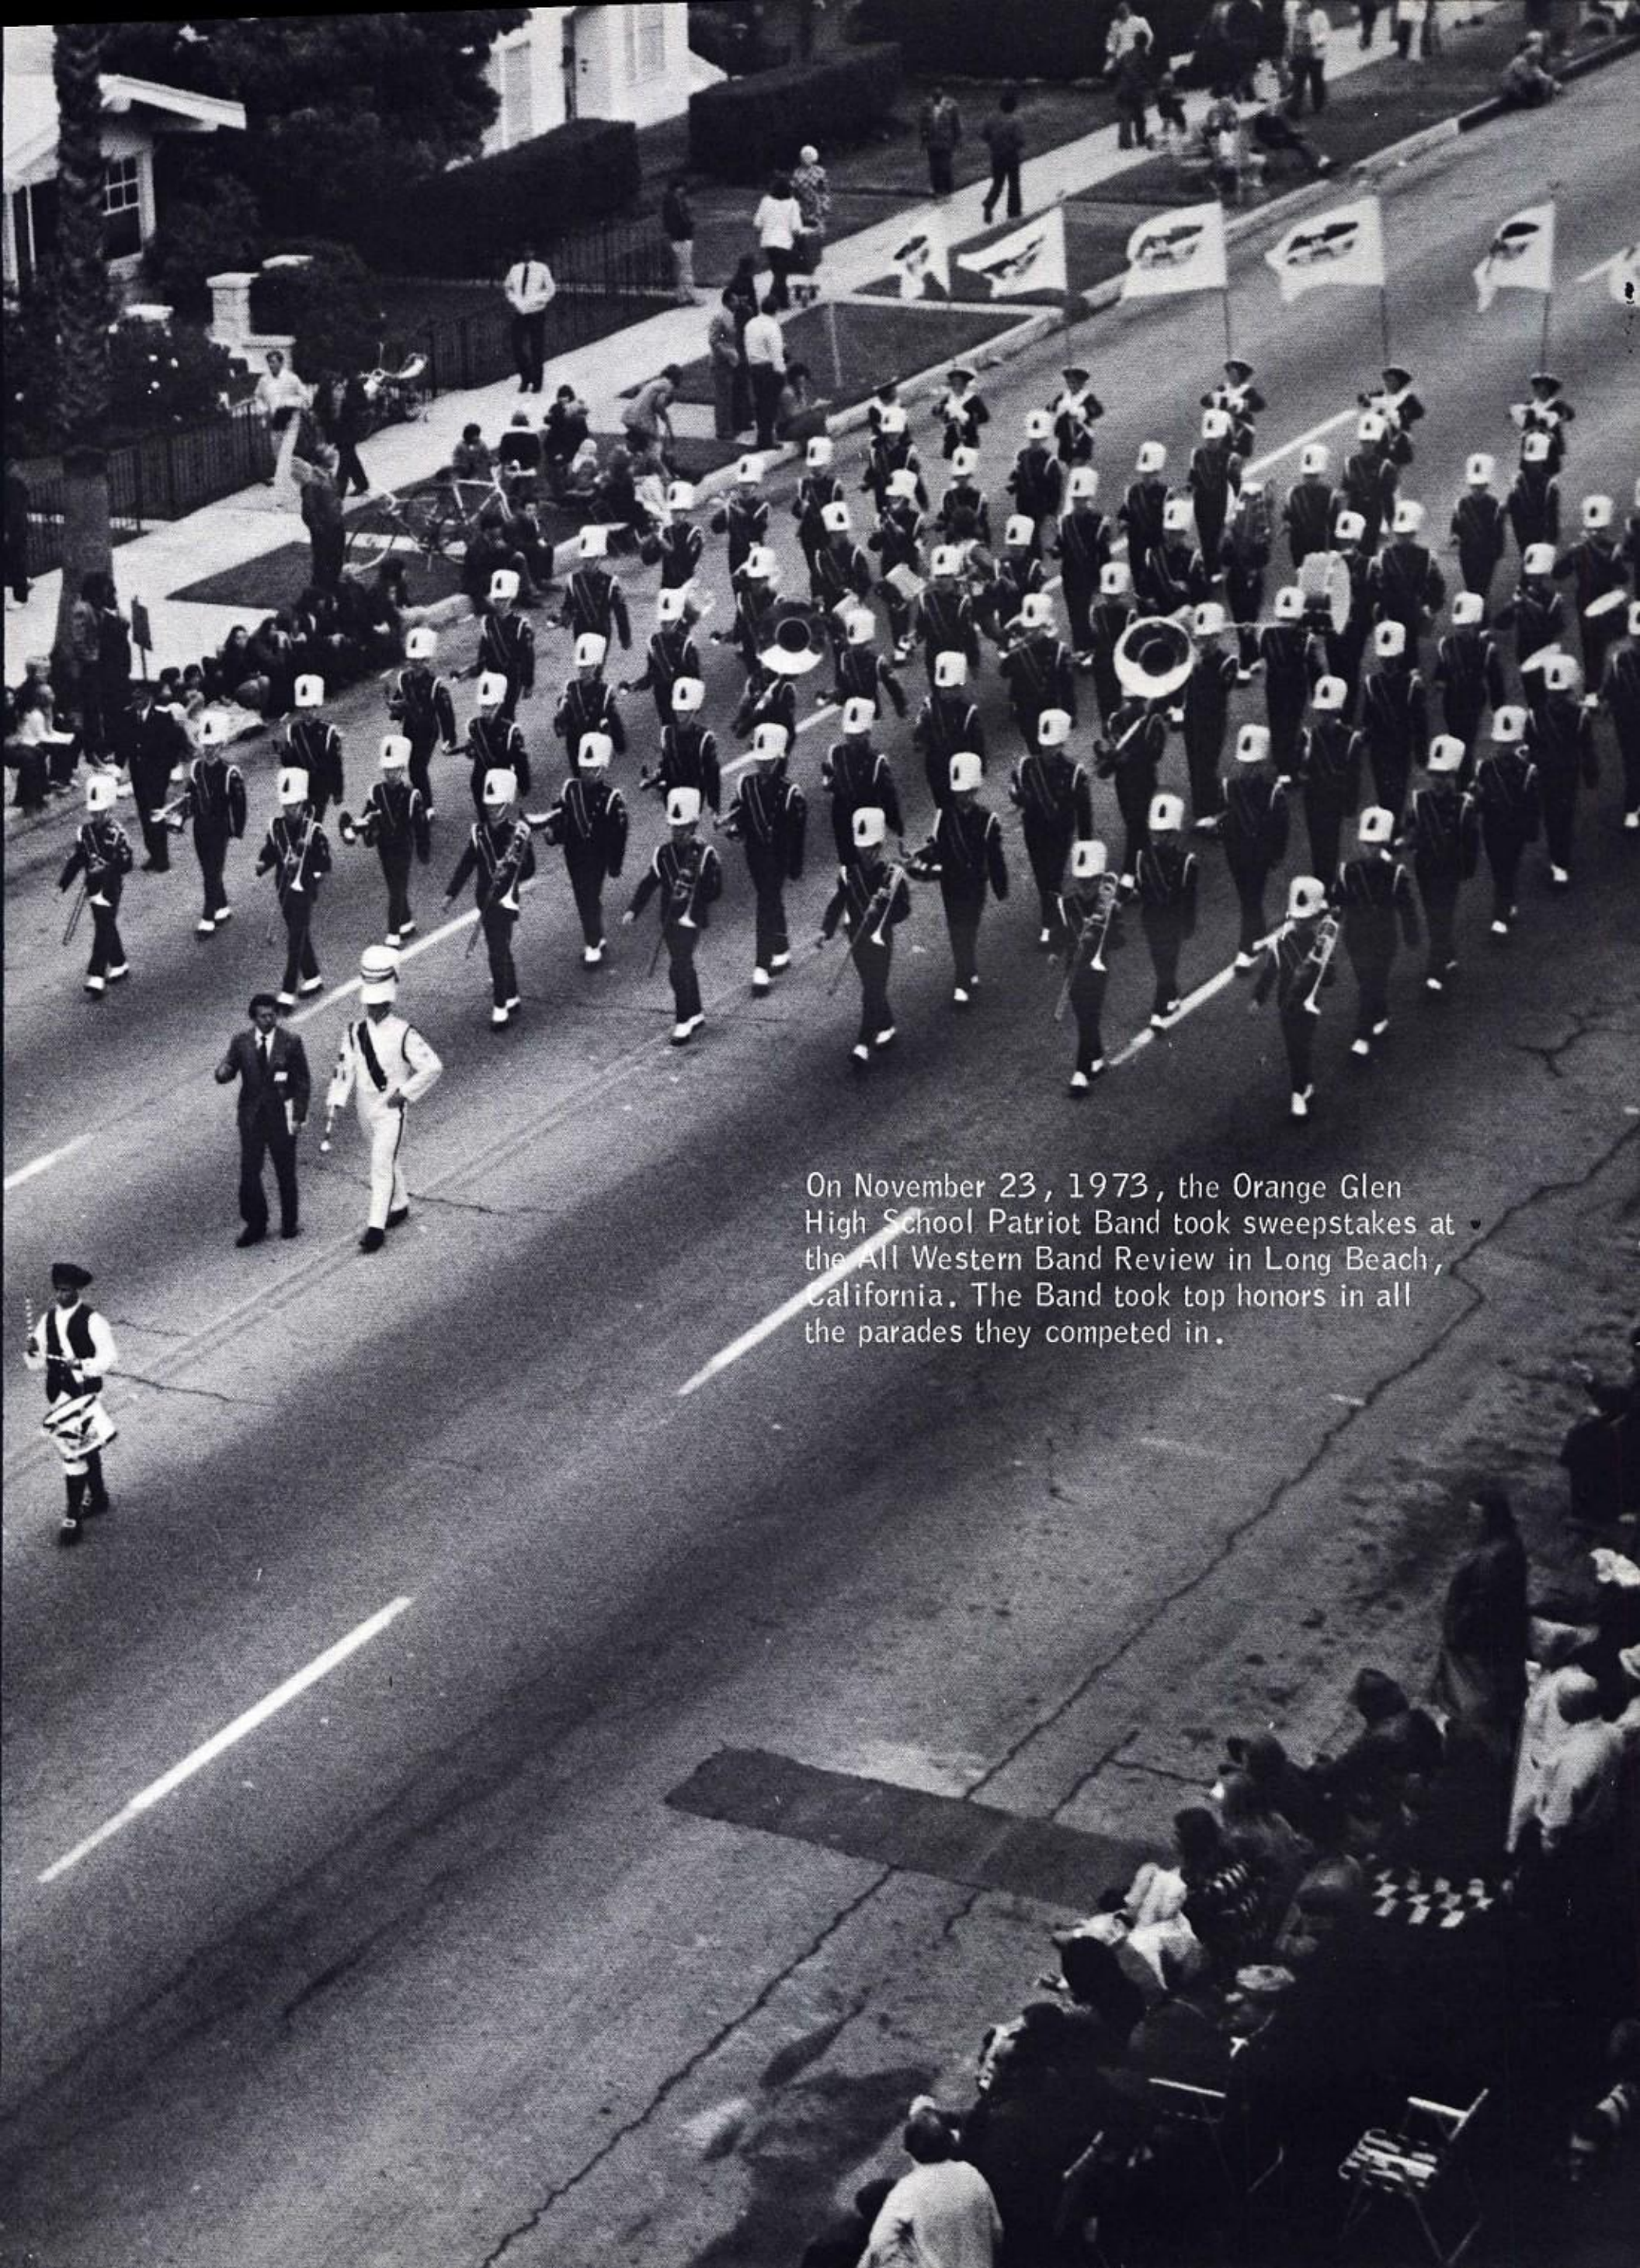

Such ways included taking fatherless boys to sporting events and having an Easter party in the children's ward at Palomar Hospital.

The club sponsored by the Kiwanis led by president Tony Jauregui and advised by Mr. Georggin, was very active around the community and at the school.

Patriettes Have Another Great Year

Spirited and lively was one way to describe the Orange Glen High School Patriettes. Their lively routines along with long hours of hard work won them many honors and much fame. Among their many accomplishments, winning sweepstakes at the Hawthorne Band Review was the highlight of the year. Encouraged and led on by advisor Pat Bynum and Beverly Jacobson captain, the team also performed in many of our pep rallies and half time shows.

To raise money for their Friday uniforms the team held a bake sale and sold candles.

Clubs Busy With New Projects

Modern Chorale started this 1973-74 year with a weekend retreat at Lake Arrowhead to get them ready for their planned 75-80 shows, six of which were here at the school. Some of the new things included costume changes and choreography. They earned money individually to go to the Caribbean this summer.

The Drama Club began their theatrical season at eight elementary schools performing "Beauty and the Beast."

They rewrote their script from the original story and movie. Drama Club planned the improvisation night and entered a one-act play festival.

Debate tournaments were the main part of the Orange Glen Forensics Club this year. The two main tournaments were at Fresno State University and at UCLA. There are twenty-six people in the club this year.

The second year of the Orange Glen Fantasy and Literature Society was an exciting one. The members planned a newsletter, and caramel sale. One of the great achievements was fantasy and science fiction library so the members could borrow books from the club. Aside from the usual meetings, they had many celebrations and revels.

Torch Has Change in Staff

This year the Yearbook staff had a change in its usual experienced class members. Coming into the class were all students who hadn't had any past experience in doing this sort of work, but were looking forward to the challenge and competition of working with the Yearbook and its staff in the future.

Some of the activities during deadline time were running around trying to get pictures taken and developed. Although there was some trouble getting ads, everyone enjoyed putting together the Yearbook and working with its staff.

Language Clubs Come Together Over Project Hope.

French Club began this past year with over seventy memberships. They had a Christmas wrapping booth in the Escondido Mall to help out the shoppers. They sponsored a candy bar sale and a pumpkin-gram sale. They also went on a trip over Easter Vacation.

Spanish Club started the year with a dinner at Los Amigos. They then went to have an exciting year by taking trips to Ensenada and Padua Hills. They also had a Christmas Party.

A snow trip to Palomar and a German Christmas party began the year for the Orange Glen German Club.

They received some education by going to the, "Three Penny Opera."

Italian Club got a good start in their treasury by selling buttons that said, "Italian is Beautiful," and "Kiss me, I'm Italian." The club, however, had a set-back when one of their leading members, Donna Gialanella, was in an accident and was put in the hospital for quite awhile.

Clubs Raise Money and Plan Trips

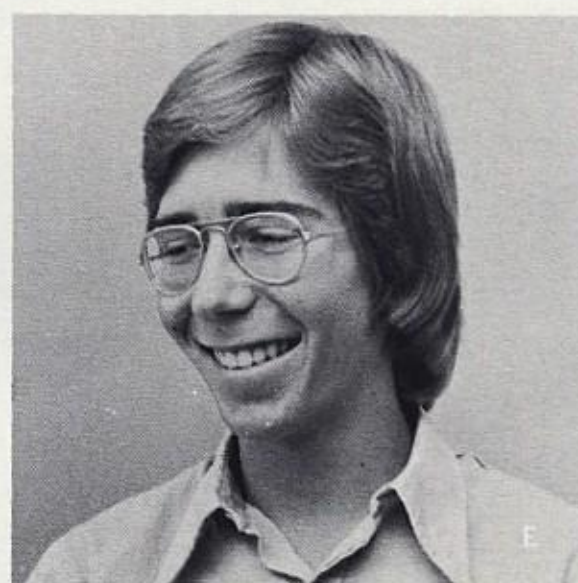

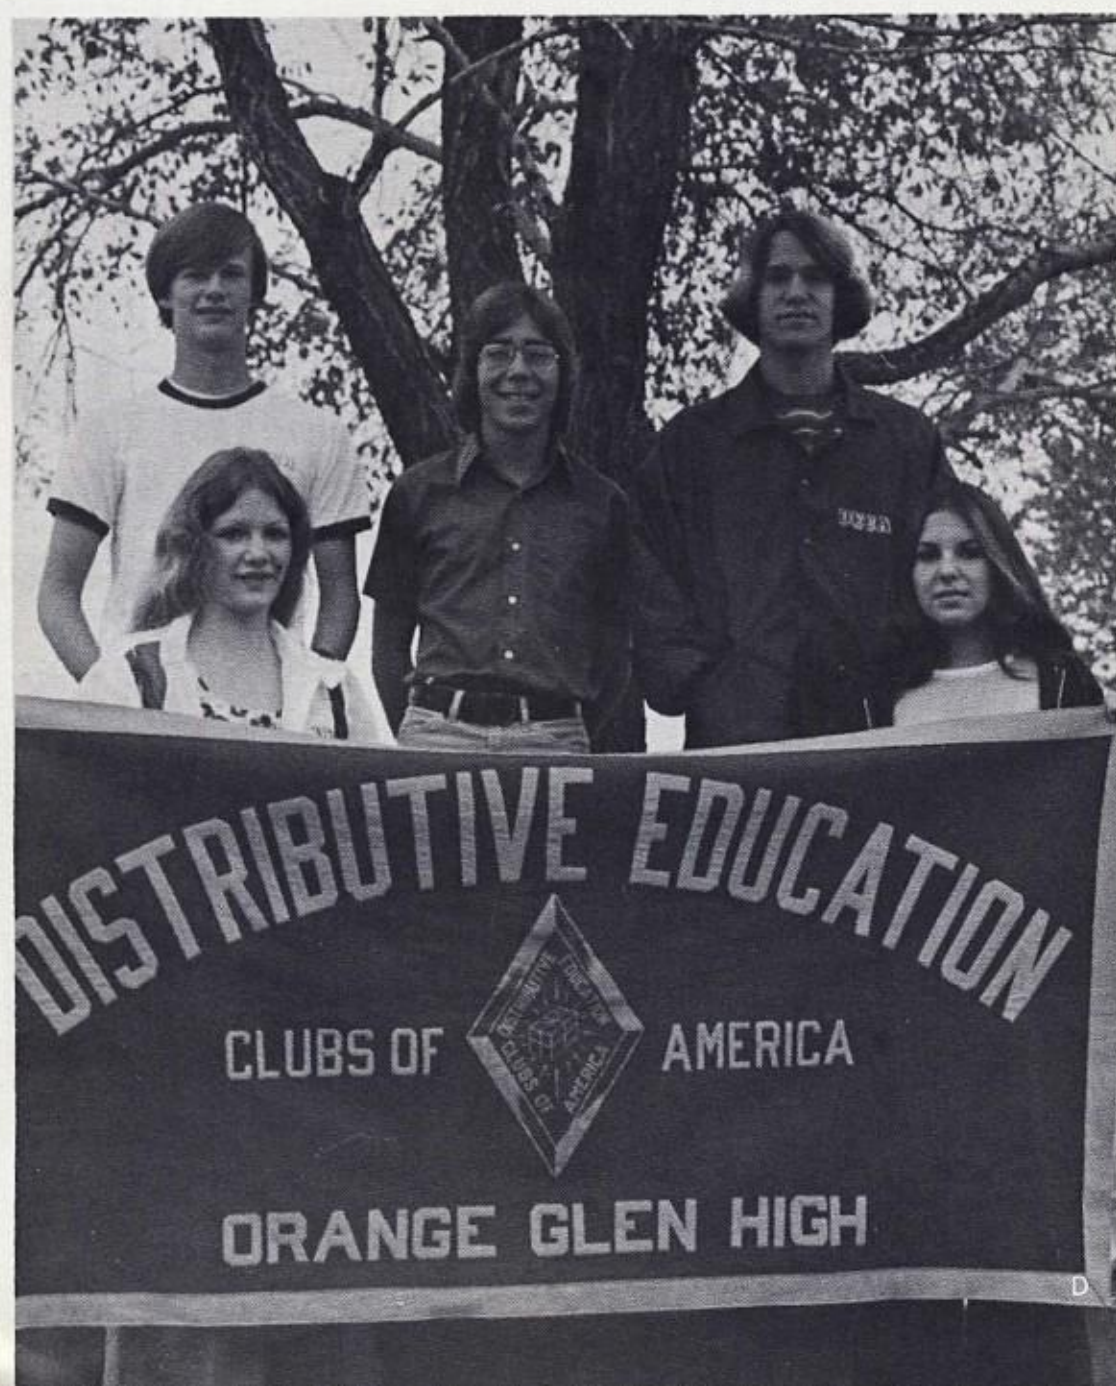

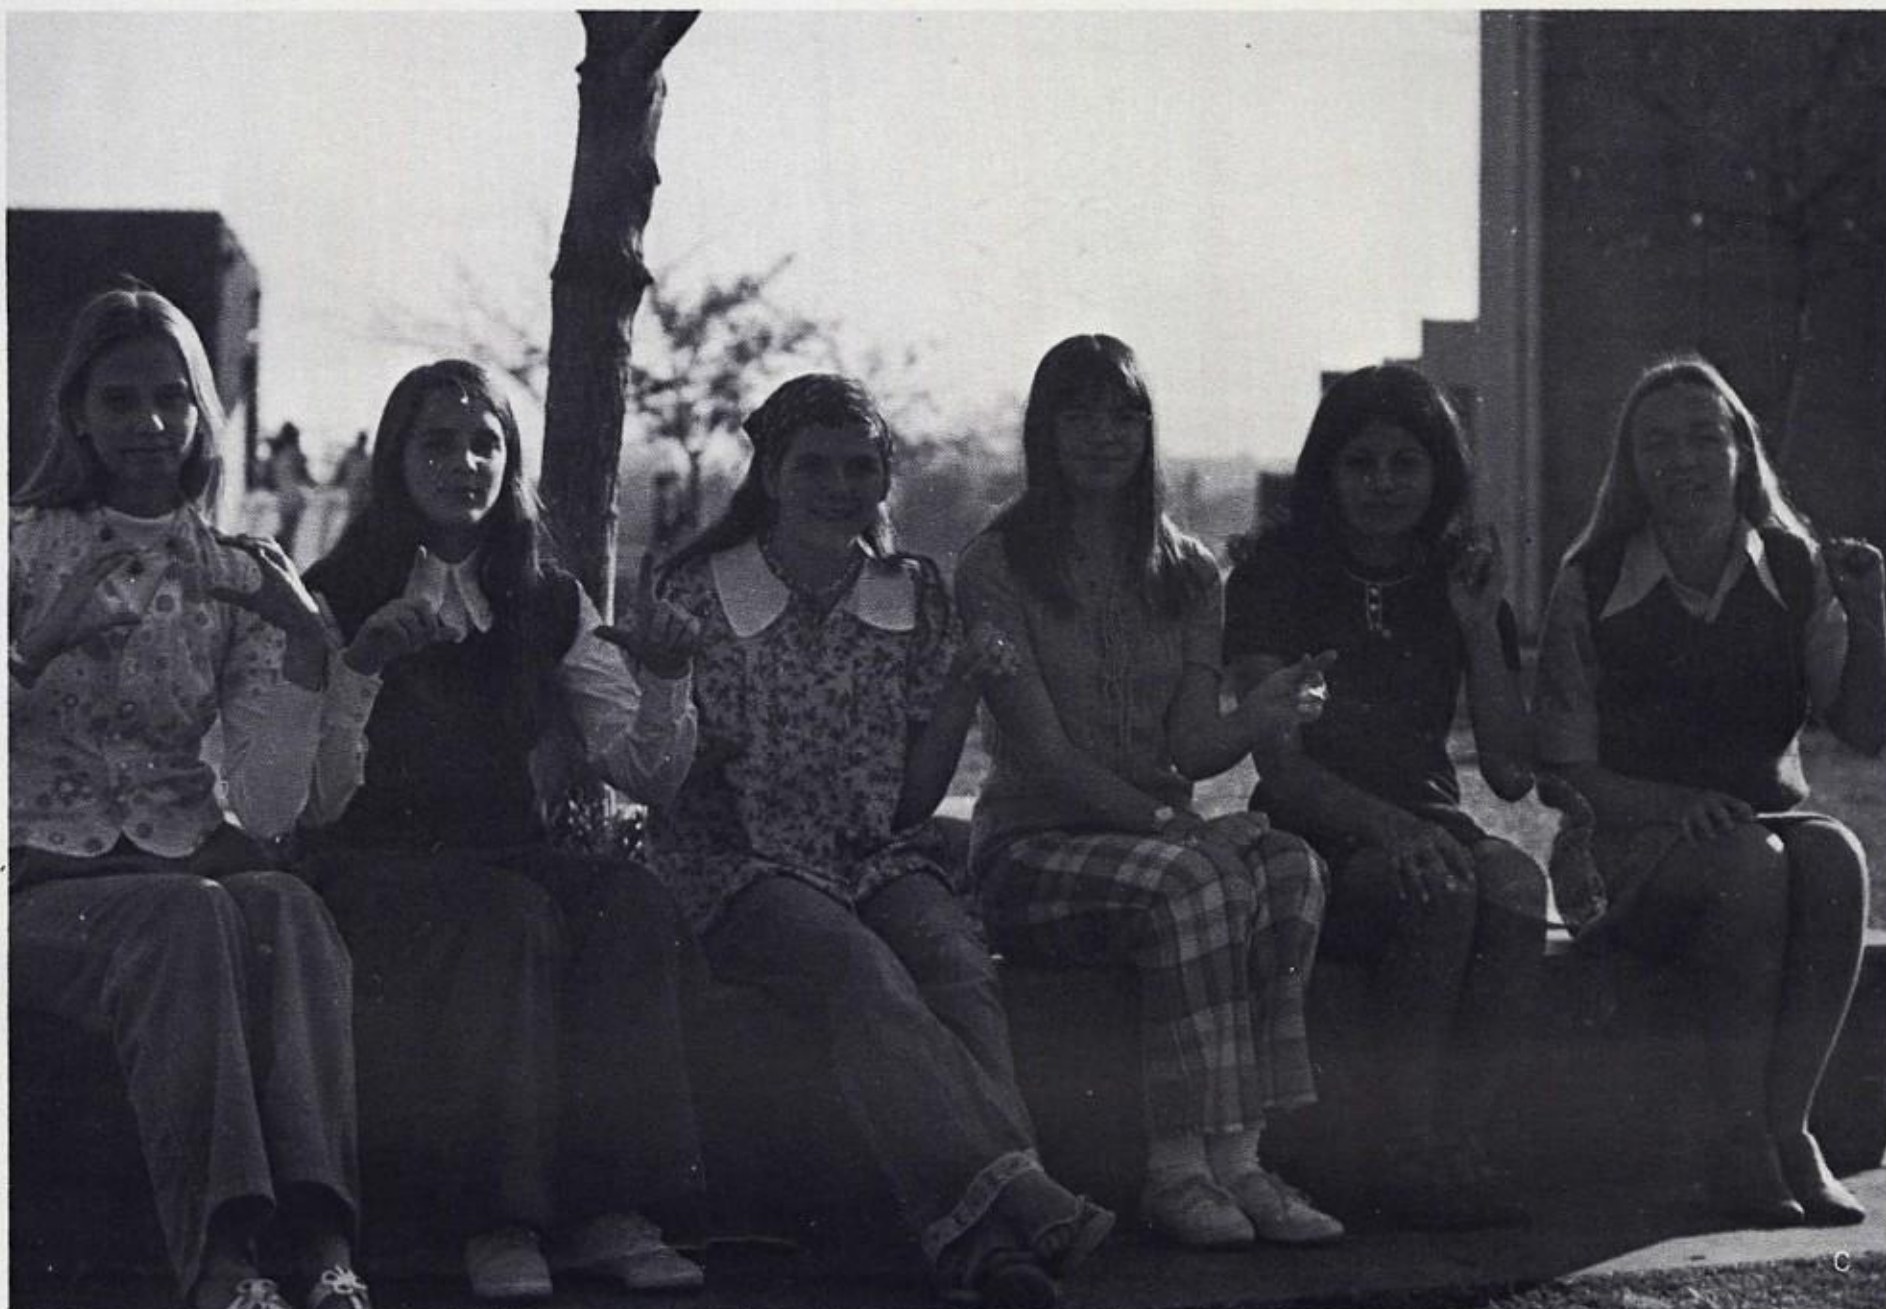

Letterman's club sponsored many fund-raising activities, along with raising the school spirit. They helped in school service projects along with community service projects. Anyone with a varsity letter is in the Letterman's club.

The Interact club did many things this past year; amongst them was a taffy pull, and a banquet in San Diego. The Interact club is sponsored by the Valley Center Rotary.

A new club this year was Sign Language. The club planned a song assembly without words, to the song "Woodstock."

The Deca club planned many trips this year, such as a Disneyland trip, and a career development conference in Los Angeles.

Brian Szepkouski of Deca, pictured above, was elected California Deca Parliamentarian at the California Delegates' conference

Newspaper Meets Goal; As New Clubs Form Again

This year the Musket attempted to put out a paper every three weeks. Before Christmas they put out an exciting eight-page edition with a creative page. This page had pictures and poems that students had created.

The editors for the regular four page edition were, Sharon Looney, for the news page; Scott Kaser, on the feature page; Carl Raedekeker, on the feature page; and Dave Harper, with the sports page. The Musket staff editor was Annette Herold.

A new organization this year was Musical Appreciation class, (Sometimes called the "Euelle Gibbons society for the preservation of wild hickory nuts.")

The Musical Appreciation Class was a group of people who got together to talk about records, groups, concerts, and music in general.

The Interclub Council was made up of representatives from the different clubs in the school. They discussed matters concerning the clubs whenever they had a meeting.

Cheerleaders Rekindle Flame of Spirit

O.G. saw what was perhaps the most spirited and coordinated squad of pepsters the school has ever had.

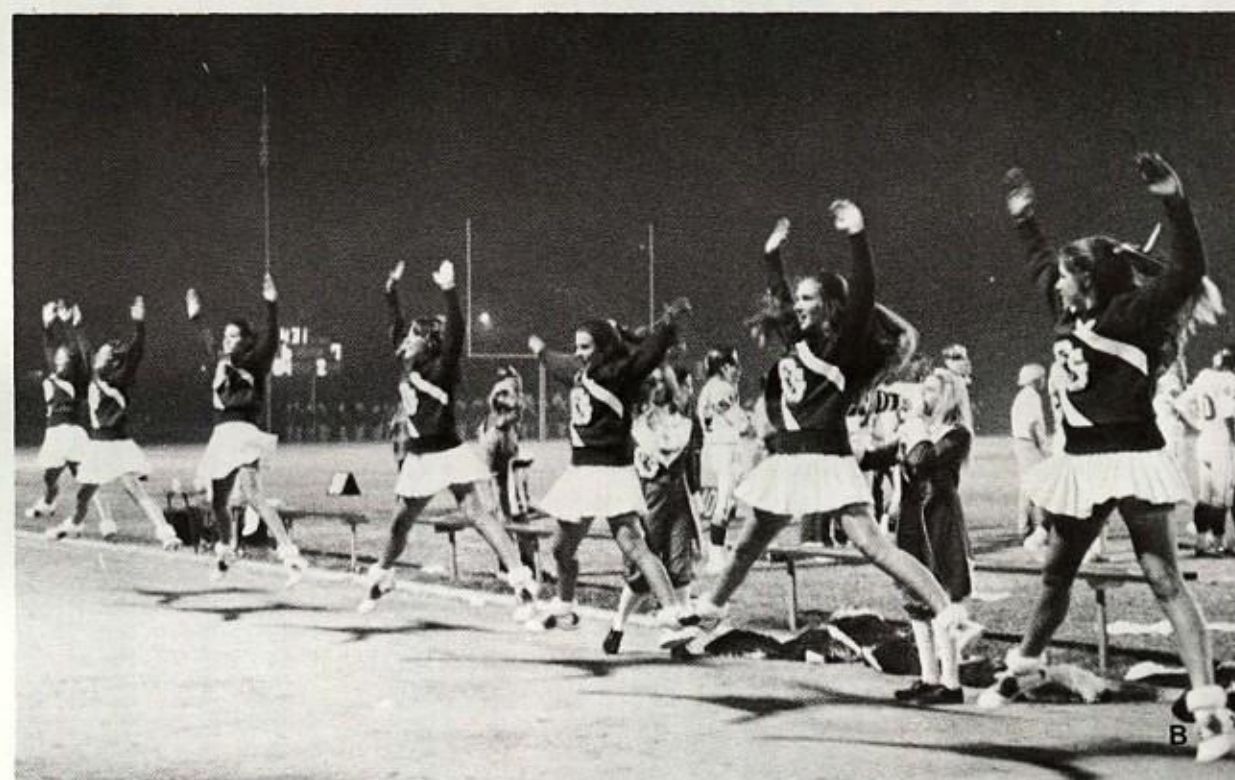

Besides cheering or major sports, they were present at soccer, water polo and cross country. They gave the various teams dinners, gifts, surprises, anything that would help boost teams in spirit.

During the year they raised over 1000 dollars by car washes, bottle drives, bake sales, grams, soc-hops and selling Rhinehart cards.

Over the summer the squad attended camp, an experience that gave them ideas in promoting spirit and a new concept in cheering style. Varsity competed and won two seconds, one third, a trophy for "most spirited" and trophy for "best skit".

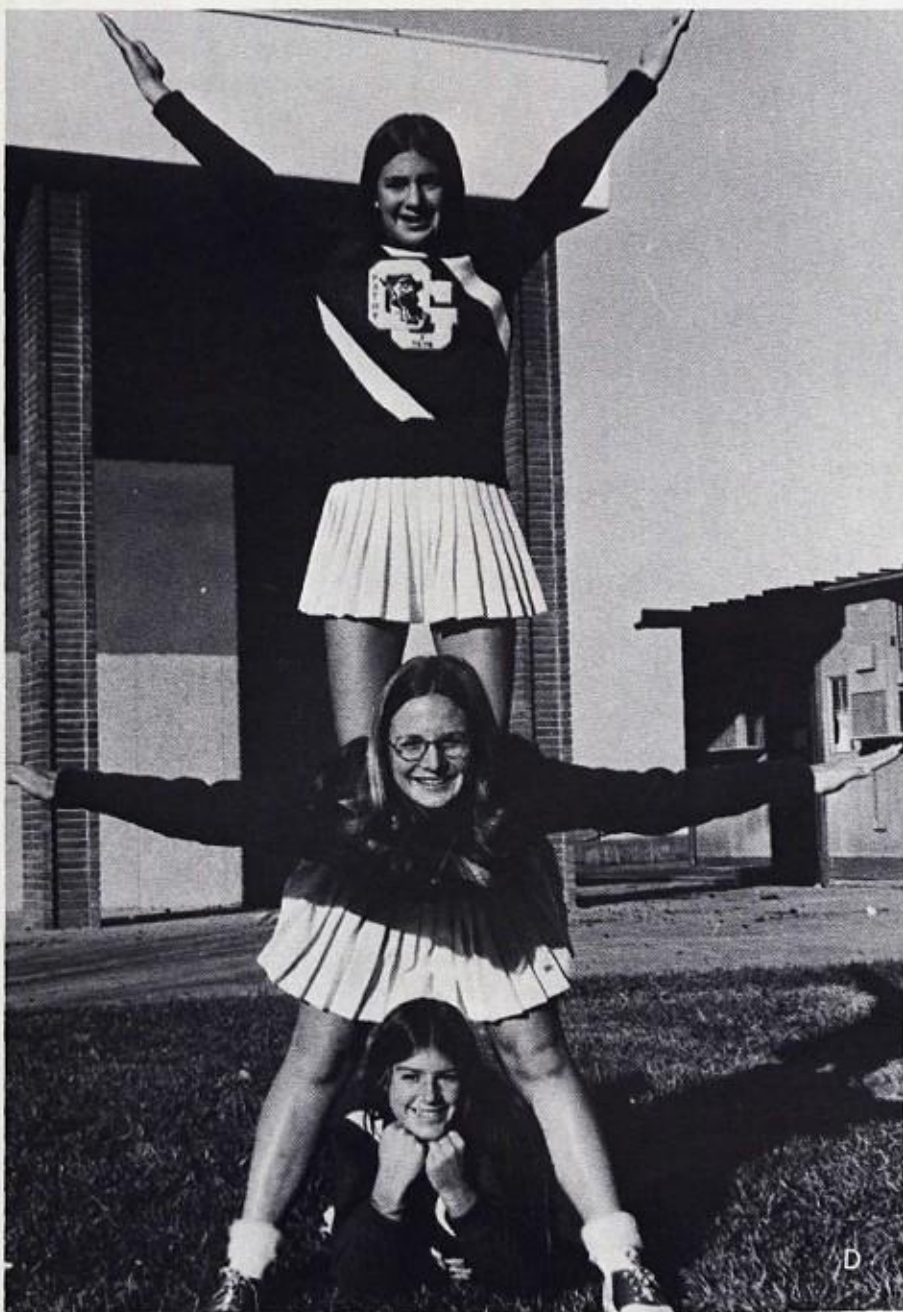

Furthermore the cheerleaders were a closely-knit group of friends, who aimed for a goal and reached it.

A.B.C. The cheerleaders' vitality never ceased, as they constantly supported the football team. D. Varsity: Vicki Dimon, Cindy Landis, Pam Marler, Mary Rogers, Julie Hunter, Sarah Ashworth, Paula Skinner; Mascots: Jan Kelley, Sue Mead. E. Varsity leads students in competition yells.

Pep Club, Alternates, J.V.; Help Add to Spirit

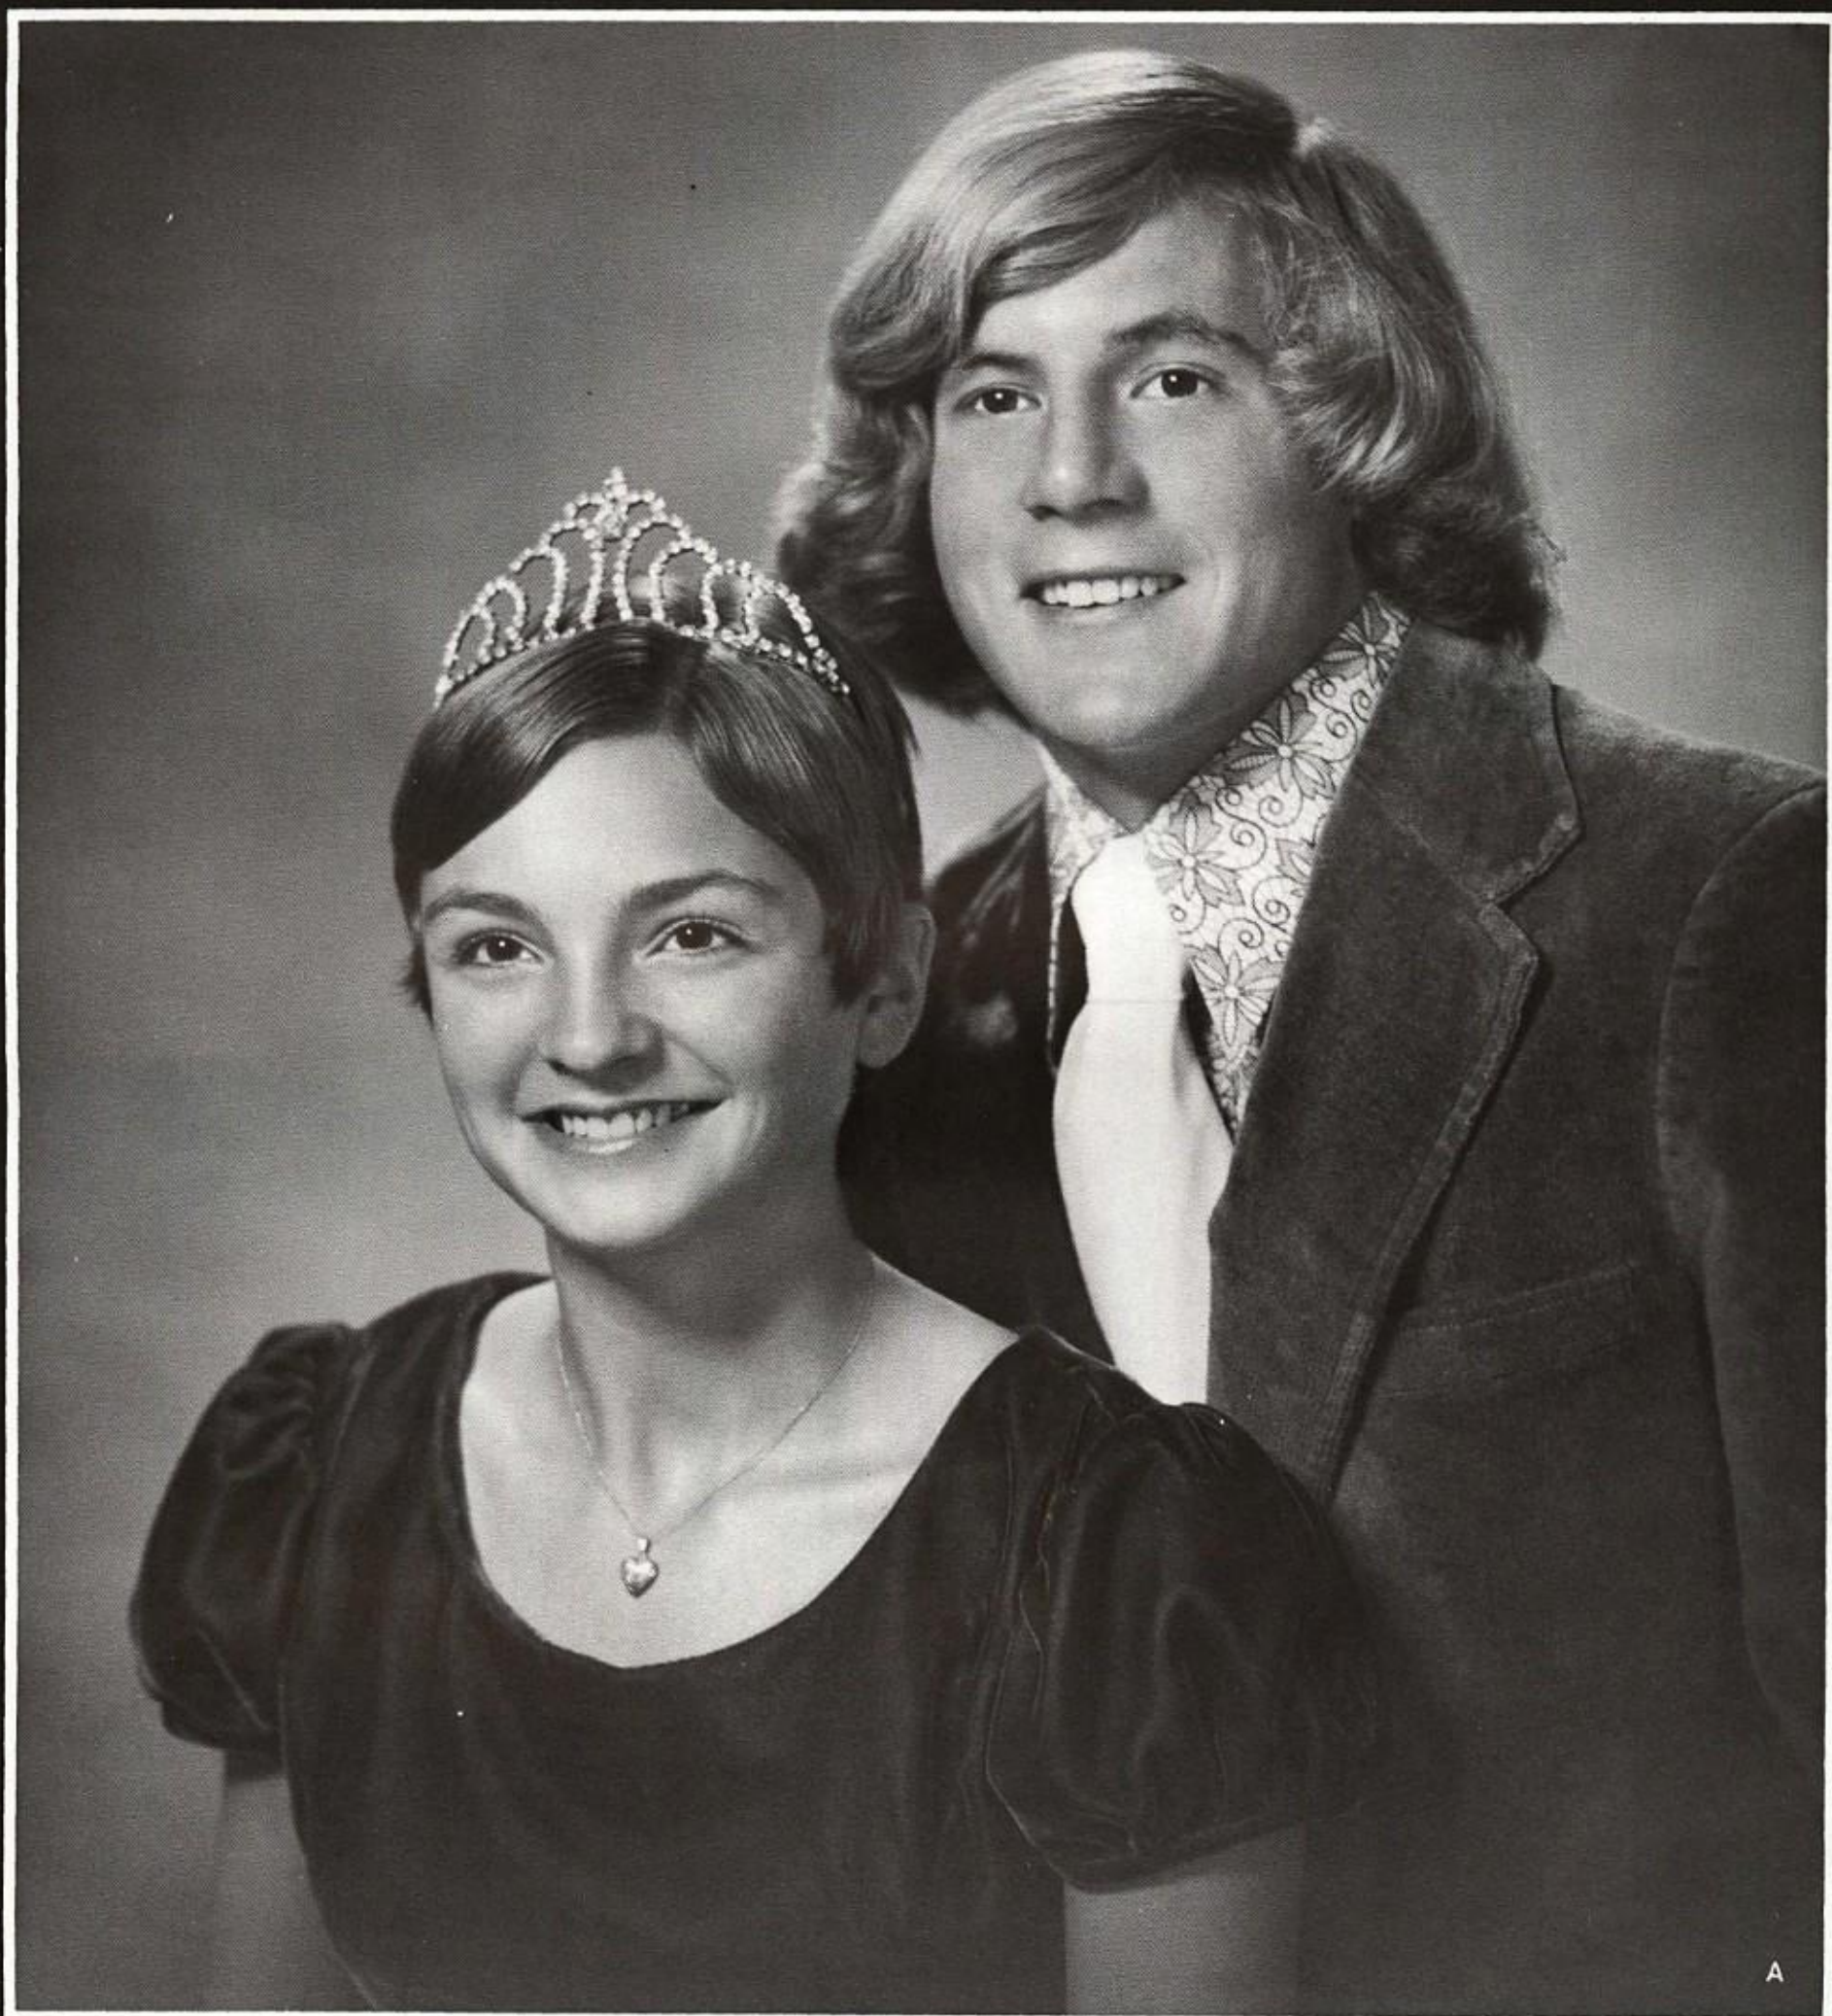

Painting signs for the teams and giving support at the games, were tasks of the O.G. Pep Club. To earn money they held a sock-hop dance in the gym.

The J.V. cheerleaders worked hard in order to show enthusiasm for the various J.V. teams. Sending messages, giving gifts, and having a pancake breakfast, were a few of the things they did for their teams.

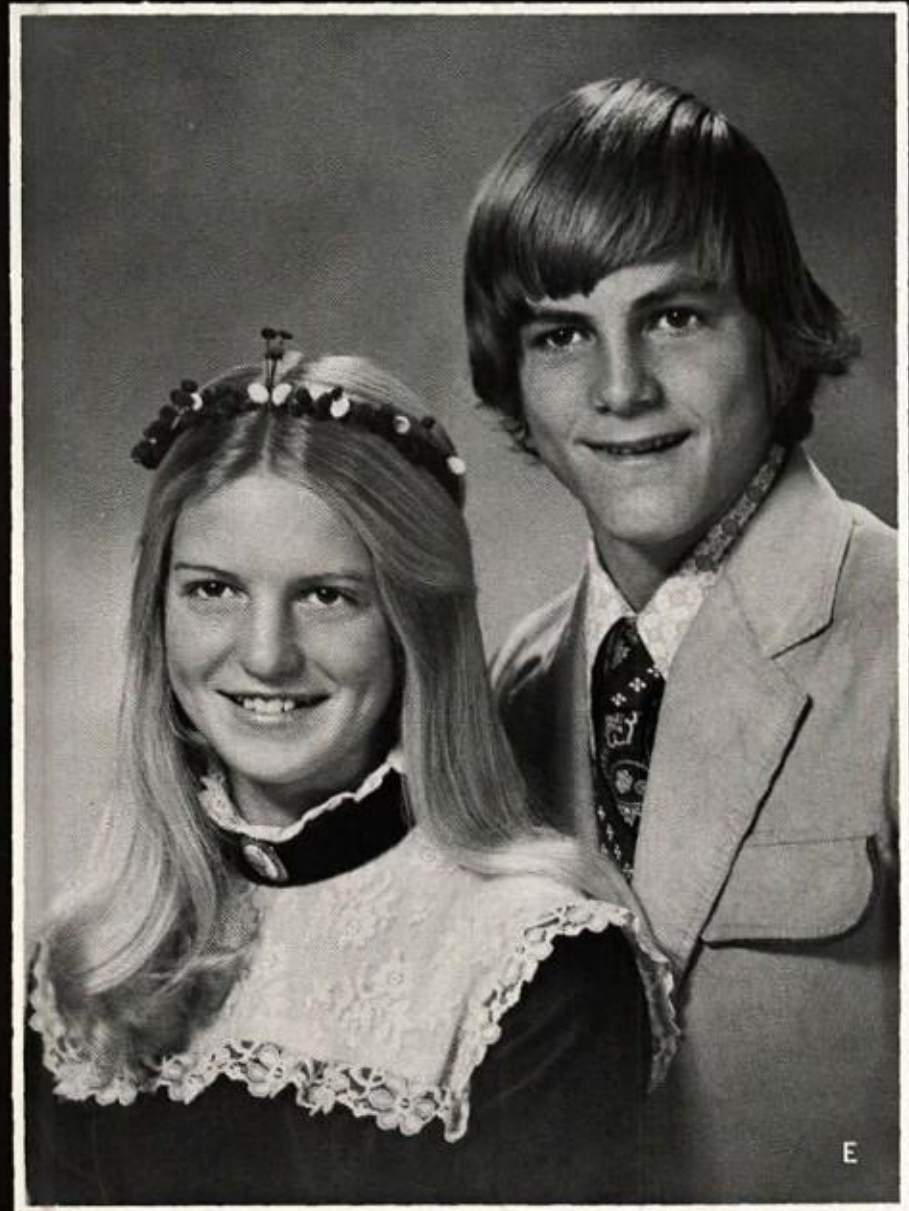

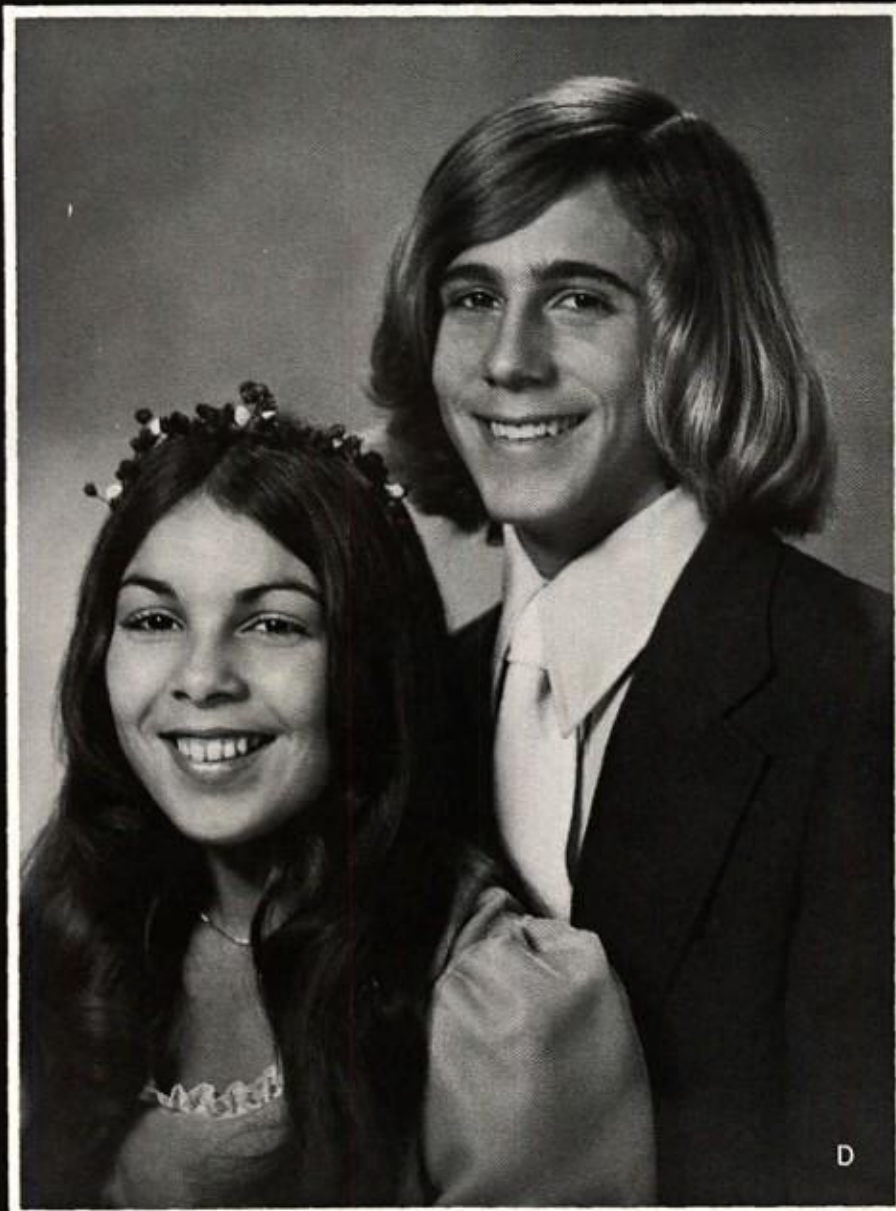

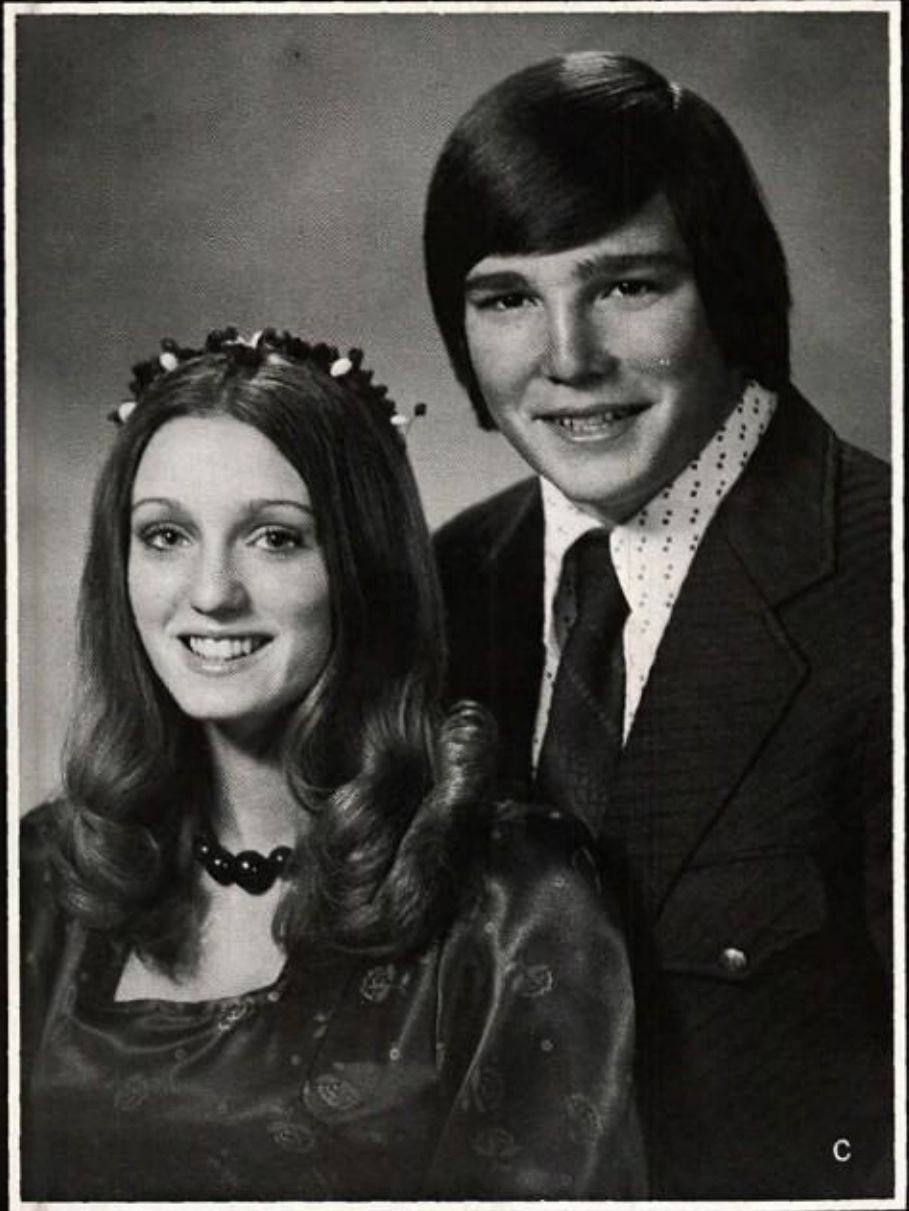

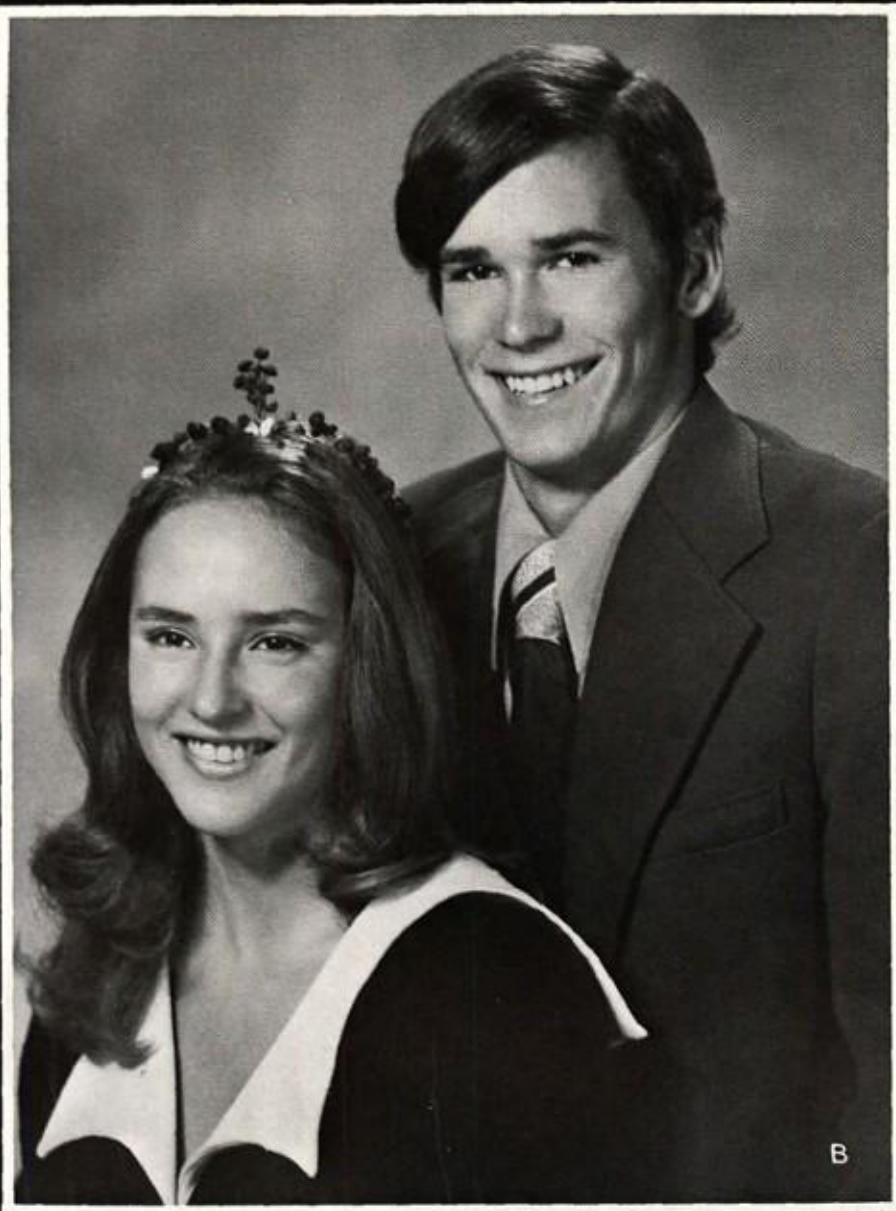

Being an alternate was hard work, because they practiced as much as the cheerleaders, but only cheered at games where a regular cheerleader was absent.

A. Mary Rogers displays the great coordination cheerleaders are supposed to have. B. The cheerleaders show enthusiasm at the Homecoming game. C. J.V. Cheerleaders: Jean McNutt, Sara Skinner, Pam Perdue, Paula Turner and Mascot, Debbie Tilley. D. Alternates, Stacey Pincock, Julie Boyce and Kathy Hutchinson. E. Pep Club Officers; Donna Sands, Kathy Walls, Margot Rogers and Lisa Osbourne. F. Varsity performs their "Hello" cheer.

*Why do they
call it
Commencement?*

The grades are in, the diplomas are inscribed, friends are parting—and it seems much more like an ending than a beginning.

So why do they call it Commencement?

Because it is. First steps have been taken successfully—but ahead lie mountains to climb: mountains of higher education, specialized training. And then the world, where things need doing, and people need helping.

We congratulate this year's "commencers." We are proud of each one of our 1974 high school graduates—and confident of their ongoing achievement.

My senior year—it is finally coming to an end. It is ending with a flurry of excitement, a mountain of last-minute details, and a deafening scuffle of hurried feet. Yet when I take the time to sit down, I sit amazed with myself. Here I am, 18, graduating from high school and becoming more independent. Wow, could that be me?

I can just hear all those words of advice coming at me. There will be congratulations and some bombast about my responsibilities. "You are the future of our country." "My, what a grown man you are. I can still remember when you were just a little tot." "Boy, I'm just going to give you one word of advice—plastics."

People—they are always giving hints and tips and telling us that it would be nice if we would become something or somebody. All are given in the hope that we'll find something that makes us happy. However, as thinking beings, we would rather make that decision ourselves.

So we get out of high school and get a job, or go to college or travel. We do these things in order to exist or live, or to find pleasure.

A recent television survey discovered that happiness was the one major goal of most Americans. After graduation, many people are going to look for something that will make them happy. Some will try to find happiness at Disneyland, but will come back with tired feet. Some will try to find happiness in marriage, and their marriages will end in divorce. Some will try to find happiness in financial security, but instead they will be worrying about bankruptcy. Some will have an evening of happiness while stoned, but in the morning they will find the same old world. And then there is sex. Some will seek pleasure in a one-night stand, and then realize that in order to have that pleasure it takes 365 all-day stands to stay reasonably happy. All of these things are temporary.

Science is giving us longer lives, but no reason to live. If happiness is temporary, maybe a lasting accomplishment will make our lives more meaningful. Maybe if somebody found the missing evolutionary link

his life would have meaning. Maybe a person could go into politics, clean up government, be praised by the press, and then have some meaning in his life. But then if a person really wanted to be sacrificial he could be a philanthropist, a doctor, a social worker and a counselor. He could help his fellow men achieve a better life for themselves. Would his life have meaning? Well, maybe until his money ran out or until he got too old to help anybody.

We are born; we go to school, we have a family, we buy a house and then we die. Isn't there anything more to life? There is.

It can be found in Jesus Christ. I'm not speaking as a theologian; I'm speaking as a high school senior who has found a purpose in his life. I have no reason to mislead you, but I do think I have a responsibility to let you know about the one thing that can put meaning into your life. Believing in Christ is more than going to church, being good, or having a bumper sticker on your car. Jesus Christ is a way of life. When you live for Christ, He gives you lasting happiness, love, joy, peace, patience and eternal life. I'm experiencing these; they're great. You can find out more about what Christ can do in your life—just ask. Jesus Christ is what Emmanuel Faith is all about.

In Memory of
Mr. Lawrence Simmons

Born: March 28, 1924
Died: November 18, 1973

Our halls will be a little lonely
Now that Mr. Simmons is gone.
He was a man esteemed by his fellow
teachers
Respected by his students;
A quiet man who was always there when
you needed him.
A man who has gone before us leaving
a legacy of minds enlightened by
his teachings
For a Man's teachings live on forever.

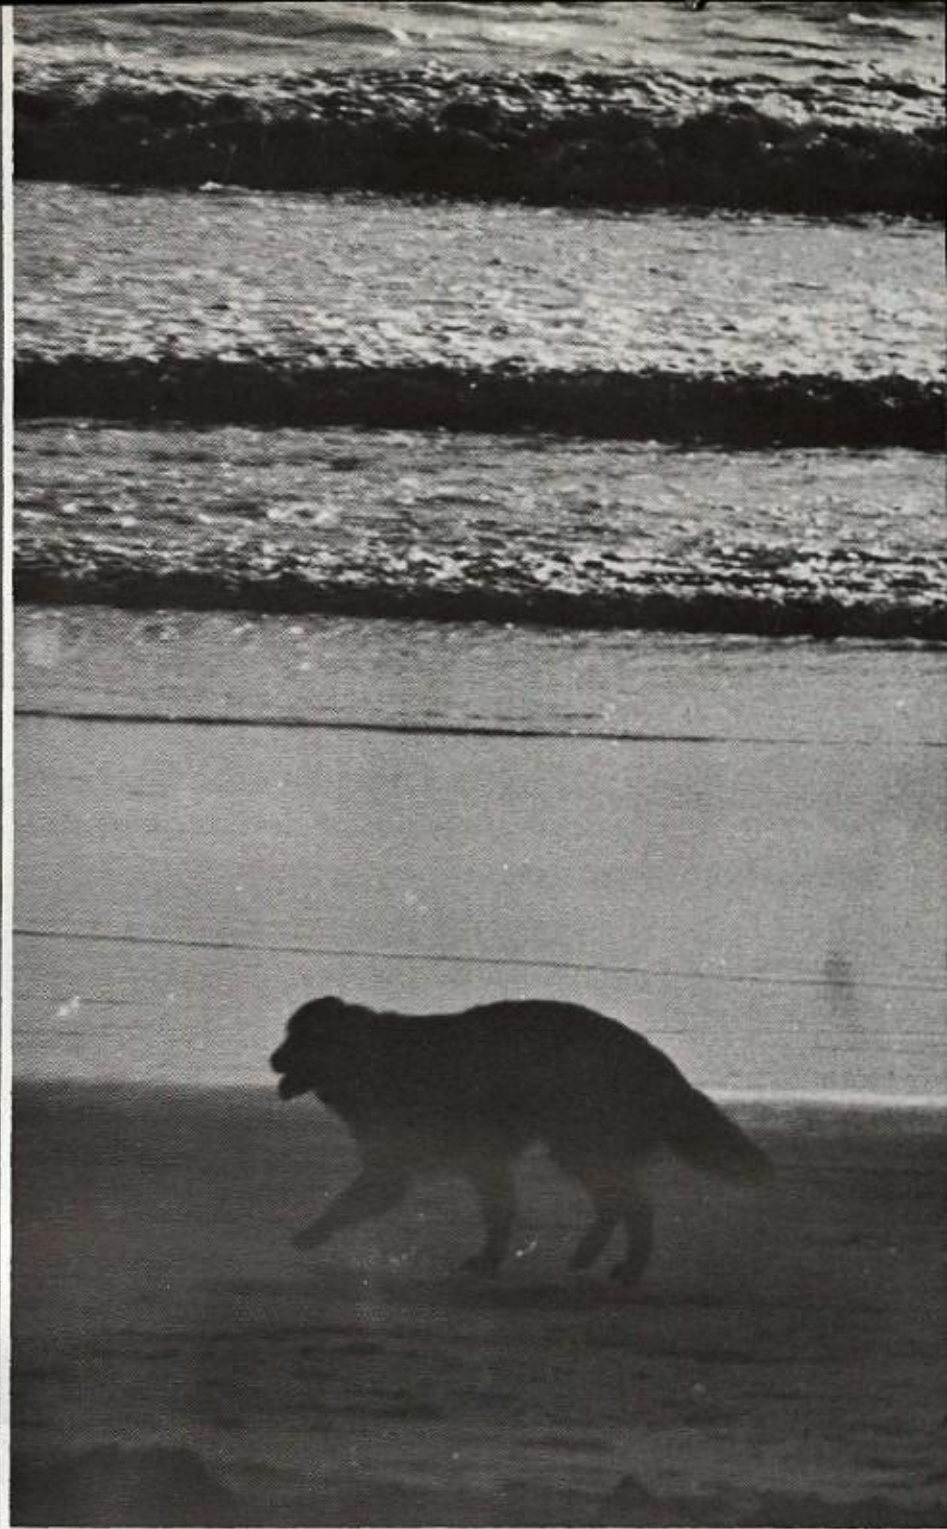

The Curtain Closes . . .

September 13,
Quiet and still
in the cool of an overcast morning,
the Orange Glen campus
patiently anticipates
until the silence is broken
like the sound of a bursting balloon,
by sound of laughing voices
reuniting with friends forgotten over the Summer,
and another school year has begun.
Involvement was the "Key" word
in pep rallies and Spirit Week,
as everyone took part
in supporting the football team;
the season brought to a close
by a beautiful Homecoming ceremony.
Pride and joy were overwhelming
when the Band took first in state.
"Beauty and the Beast" and
two dances highlighted Winter,
not to mention sports.
Spring brought O.G.'s first stalker,
Sadie Hawkins day was March 22,
followed by the dance.
Everyone enjoyed the Prom
held at Rancho Bernardo Inn on April 13.
The days grew hot
and spring fever grew with them,
all awaited eagerly
for yearbook distribution day in June.
Finally, June 14,
afternoon brought sounds of laughing voices,
anxiously awaiting that final bell-rrring!
Lockers slam, halls jam as students disperse
until,
once again
quiet and still,
in the heat of a sunny afternoon
sleeps the Orange Glen campus.

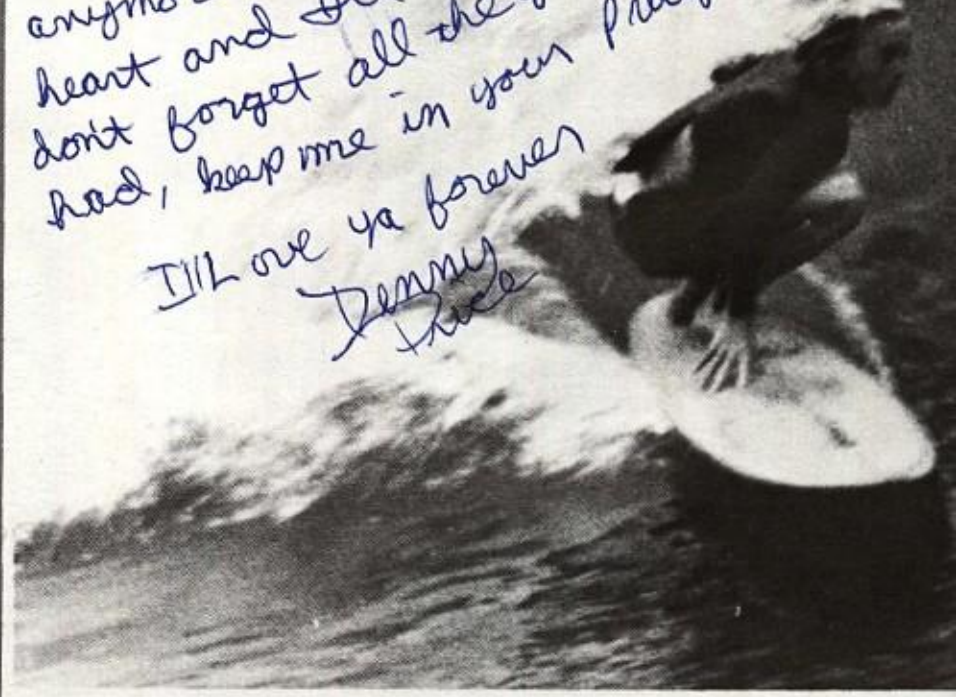

Kathy, it's been fun knowing
you, I'm sure you'll have
a fantastic summer, surrounded
by cute guys! wouldn't we
all like that. Well anyway
good luck and have a
blast at grad night when you
wear your new halter dress.
Take care Kathy

Summer in Southern California Is;

Graduation then...
 no school
 as Seniors board the buses
 for Disneyland on Gradnite.
 And Summer is
 KCBQ playing "Surfer Girl",
 dark tans, peeling noses
 and... the coast.
 Summer is
 making plans for college,
 jobs or
 just being lazy!
 Summer is
 a glass of iced tea
 melting in the sun or
 catching-up on your favorite soap-opera
 or going for a bike ride
 in the late afternoon.
 Summer is
 splitting from Escondido
 wherever and when ever you feel like it.
 Summer is
 sleeping outside on a starry night...
 taking that moment,
 wishing you could relive it forever.
 And Summer is
 the last act, Act IV,
 as the curtain draws to a close
 we shall never forget
 the roles we played
 in "A School for all Seasons."

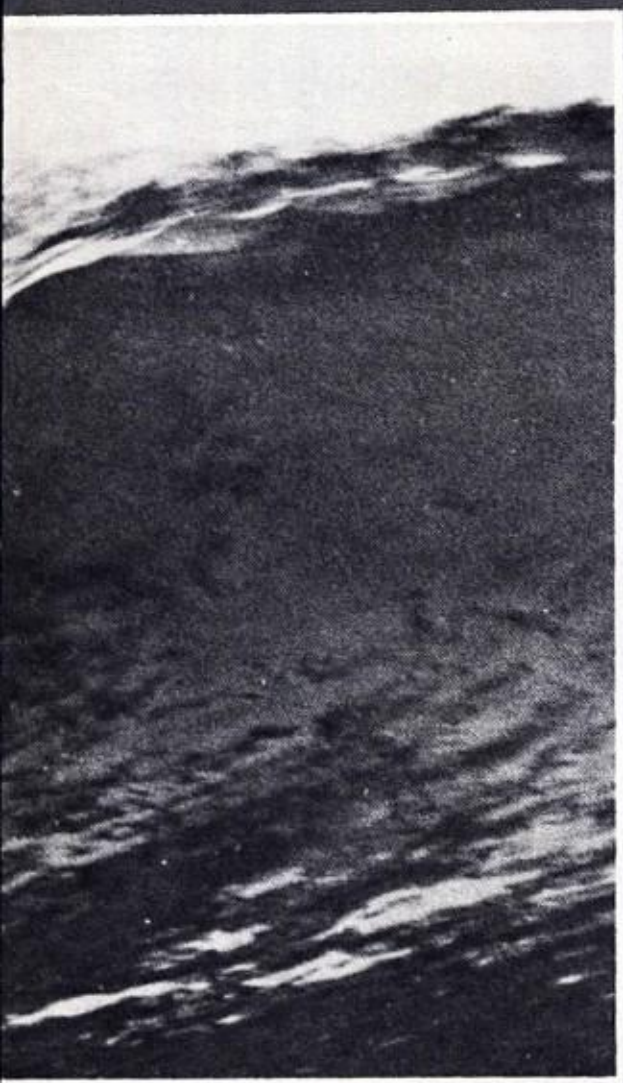

Kathy, the
 of all the
 chicks in the
 school I think I
 dig on you the most,
 for I'm leaving this year
 and probably won't see you
 anymore, but keep me in your
 heart and I'll keep ya in mine, and
 don't forget all the good times we
 had, keep me in your prayers,
 I'll love ya forever
